this book offers an in depth examination of the 2023 fifa women s world cup 2023 fwfc hosted in aotearoa new zealand and australia the 2023 fwfc was a landmark event in the history of women s sport in terms of audience revenue spectacle and global reach and has assumed wider significance beyond sport as a result of the controversial events

immediately after the final game featuring the work of leading researchers from around the world this book examines some of the key issues that arose during and after the 2023 fwfc it provides an international perspective on the politics of women s football and explores topics including media fandom indigeneity legacy policies tourism and the organisational politics and strategies of international federations it also sheds light on the inherent sexism gender inequalities and biased media framings that remain pervasive in the women s game this is the second book on the 2023 fwfc from the editorial team of adam beissel julie e brice verity postlethwaite and andy grainger it is fascinating reading for anybody with an interest in sport studies event studies gender studies sociology or political science

drawing on a broad range of historical and sociological literature this book traces the everyday gambling experiences of a diverse group of women it provides fascinating and original insights into the pleasures afforded to women through their gambling participation and draws on a variety of feminist literature to understand women s motivations and experience of play and to examine the ways in which women negotiate their right to gamble without reprimand since gambling tends to be framed within moral discourses of danger and excess this book offers a defence of women s decisions to gamble against an often hostile backdrop it rewrites claims that gambling is meaningless and reckless spending by pointing instead to the highly complex strategies that women who gamble employ importantly it adds to contemporary feminist debates about women s leisure by showing how women seize control of their lives in order to carve out a time and space for the pursuit of pleasure

a weekly review of politics literature theology and art

the universe that we see is real and it has been functioning in an orderly manner since the times immemorial it is thus logical to believe that its creator and caretaker also has to be a reality however the god who has made man and all else is beyond all history all that we know about his story is his creation beyond that we know nothing however man has created many gods after his own image out of his imagination these man made gods do have a story hardly about four thousand years old since religions have god or at least spirituality at their core these also needed to be given a hearing in this work this book is an intellectually stimulating account of what various faiths talk about god

today branches of chains such as william hill and ladbrokes are familiar sights in high streets across britain and betting takes place on all sorts of events from horse racing to general elections from football match results to the likelihood of snow falling on christmas day yet until 1961 street bookmakers were illegal and old prejudices are slow to fade away a stigma is still attached to bookmaking and for many people bookmakers remain a disreputable and shady lot this book sets out to examine why this is the case social historian carl chinn was himself a bookmaker like his father and grandfather before him and therefore brings his own unique perspective to this lively and highly readable account

of the profession's history from its origins among the sharpsters who hoodwinked punters at racecourses to the illegal street bookies who offered the working class a tantalising escape from poverty to the growth of leisure empires such as coral and William Hill

a day at the races with its colorful variety and fast-paced action appeals to people from all walks of life not surprisingly the idea of going home with a few more dollars than when one arrived is part of horseracing's charm in this entertaining but substantive volume two distinguished economists who happen to be horseracing buffs outline a tested strategy for placing bets that will increase the reader's chances of a happy outcome at the track the authors are the first to point out that getting rich at the racetrack is unlikely they do maintain however that with attention to their systematic approach the racing fan can achieve the best possible chance at winning in the process the reader learns some of the most important measurement techniques in the social sciences as well as the basic methods of market analysis
