despite myriad popular and journalistic expositions up to this point there have  
been virtually no academic discussions of the manchester united phenomenon  
this anthology represents the first concerted academic examination of  
manchester united f c in its current guise as a widely followed and highly  
emblematic sporting institution bringing together respected academics from an  
array of disciplinary backgrounds these essays each interrogate various related  
dimensions of the manchester united world the primary aim of this collection is  
to illustrate how the structure and experience of manchester united is  
implicated in broader societal shifts within which the boundary between  
cultural and commercial concerns have become increasingly indivisible the

chapters are presented within five thematic sections 1 becoming united 2 economy united 3 embodied united 4 local united 5 global united
