an abridged version of reconstruction america s unfinished revolution the definitive study of the aftermath of the civil war winner of the bancroft prize avery o craven prize los angeles times book award francis parkman prize and lionel trilling prize

from the preeminent historian of reconstruction new york times book review a newly updated edition of the prize winning classic work on the post civil war period which shaped modern america with a new introduction from the author eric foner s masterful treatment of one of the most complex periods of

american history new republic redefined how the post civil war period was viewed reconstruction chronicles the way in which americans black and white responded to the unprecedented changes unleashed by the war and the end of slavery it addresses the ways in which the emancipated slaves quest for economic autonomy and equal citizenship shaped the political agenda of reconstruction the remodeling of southern society and the place of planters merchants and small farmers within it the evolution of racial attitudes and patterns of race relations and the emergence of a national state possessing vastly expanded authority and committed for a time to the principle of equal rights for all americans this smart book of enormous strengths boston globe remains the standard work on the wrenching post civil war period an era whose legacy still reverberates in the united states today

the post civil war years of the reconstruction period in u s history history of us

a century and a half after the civil war americans are still dealing with the legacies of the conflict and reconstruction including the many myths and legends spawned by these events the long reconstruction the post civil war south in history film and memory brings together history and popular culture to explore how the events of this era have been remembered looking at popular cinema across the last hundred years the long reconstruction uncovers central themes in the history of reconstruction including violence and terrorism the experiences of african americans and those of women and children the lost cause ideology and the economic reconstruction of the american south analyzing influential films such as the birth of a nation and gone with the wind as well as more recent efforts such as cold mountain and lincoln the authors show how the myths surrounding reconstruction have impacted american culture this engaging book is essential reading for anyone interested in the history of reconstruction historical memory and popular culture

stampp s classic work offers a revisionist explanation for the radical failure to achieve equality for blacks and of the effect that conservative rule had on the subsequent development of the south refuting former schools of thought stampp challenges the notions that slavery was somehow just a benign aspect of southern culture and how the failures during the reconstruction period created a ripple effect that is still seen today praise for the era of reconstruction this brief political history of reconstruction by a well known civil war authority is a thoughtful and detailed study of the reconstruction era and the distorted legends still clinging to it kirkus reviews it is to be hoped that this work reaches a large audience especially among people of influence and will thus help to dispel some of the myths about reconstructions that hamper efforts in the civil rights field to this day albert castel western michigan university
