one of the irish times books of the year 2008 rebellion partition and a messy peace settlement ensured that ireland was a constant thorn in britain s side after 1916 britain was confronted by the bombs and bullets of militant republicans the clandestine intrigues of foreign powers and the strategic dangers of ireland s wartime neutrality a final irrevocable step in the country s difficult transition to independence using newly opened archives this book reveals for the first time how the british intelligence system responded to these threats it lifts the lid on the underground activities of britain s secret agencies mi5 mi6 sis and the special branch it puts secret intelligence in the context of the government s other sources of information and explores how deep rooted cultural stereotypes distorted intelligence and shaped perceptions and it shows how for decades british intelligence struggled to cope with ireland but then rose to the challenge after 1940 largely because the dublin government began to share its secrets the author casts light on characters long kept in the shadows ira gunrunners bolshevik agitators nazi agents irish loyalists who acted as british spies his compelling book fills a gap in the history of the british intelligence community and helps explain the twists and turns of anglo irish relations during a time of momentous change paul mcmahon gained his phd from cambridge university

in 1943 martin quigley was one of three intelligence agents sent to ireland to evaluate ireland s neutrality during world war ii or the emergency as it was euphemistically termed by the irish the only agent to retain his cover as a representative of the u s film industry his mission was to confirm or deny the widely held view that ireland was unhelpful to the allies and even pro german a sentiment that still obtains in the former allied countries today quigley s reports from ireland finally declassified in 1997 and reproduced in this volume should once and for all dispel the myths that surround irish neutrality and his surprising conclusions will change how historians have traditionally viewed the role of ireland during world war ii a u s spy in ireland also provides fascinating insights into the ireland of 1943 its film business politicians church leaders and social landscape

orphan johnny dunne has fled balbriggan where he spied for the rebels in ireland s war of independence now he has a new and even more dangerous mission rebel leader michael collins engages in a cut throat secret war with british intelligence and johnny ireland s youngest spy at only fourteen years of age finds himself at the centre of the action in a dublin full of gunmen soldiers police informers and the dreaded black and tans johnny has to watch his every move but it s hard to turn his back on the past especially on his friendships with alice goodman and with stella radcliffe the daughter of a british officer who risked her own life to save his as the war of independence grows more lethal the three friends must decide where their loyalties lie then a secret from johnny s past changes everything

irish neutrality during the second world war presented britain with significant challenges to its security exploring how british agencies identified and addressed these problems eunan o halpin casts fresh light on the significance of both espionage and cooperation between agencies for developing wider relations between the two countries

documented study of the german espionage effort in ireland during the second world war based on official sources and on conversations with surviving protagonists

quigley s reports reproduced in this volume provide fascinating insights into the heland of 1943 its film business politicians whom he freely met and church leaders the author s hope is that his book will dispel some of the myths that surround irish neutrality

this volume presents a study of the shooting of suspected civilian informers by the cork city ira in 1920 1921 ira sources claim some of the civilians were members of an anti sinn fein society the author analyses the existence of such a network alleged ira persecution of ex soldiers and other related issues

covers every important and many obscure spies and espionage agencies throughout history

first published in 2005 medieval ireland an encyclopedia brings together in one authoritative resource the multiple facets of life in ireland before and after the anglo norman invasion of 1169 from the sixth to sixteenth century
