how can recent developments in post structuralist post marxist and psychoanalytical theory actually inform ongoing empirical research what are the appropriate methods and research strategies for conducting research in discourse theory and analysis how can concepts such as hegemony identity the imaginary dislocation and empty signifiers illuminate key aspects of contemporary society and politics this pathbreaking and multi focal book contains a clear introductory statement of the theoretical approach used and concludes with an assessment of the future directions of discourse theory in the social sciences

this book explores the impact of cultural identity the internal configurations of the educational field and the struggles both inside and outside the educational systems of post world war ii singapore and hong kong by comparing the school politics of these two nations wong generates a theory that illuminates connections between state formation education and hegemony in countries with dissimilar cultural makeups

in this ambitious work david d laitin explores the politics of religious change among the yoruba of nigeria then uses his findings to expand leading theories of ethnic and religious politics

hegemony discourse and political strategy revisits a question that has long fascinated socialists progressives democrats greens and marxists how do left wing forces win at politics thirty five years ago ernesto laclau

and Chantal Mouffe tackled this puzzle in ground breaking fashion by drawing on a signature blend of linguistics marxist theory and poststructuralism that came to be known as post marxist discourse theory. Pdt this book takes up the legacy of Laclau and Mouffe and elaborates Pdt into a full fledged theory of political strategy for the first time. It argues that post marxism provides the foundations for a form of discourse analysis that can explain how political strategies play out as well as why they fail or succeed. Its empirical potential to illuminate the dynamics of hegemonic struggles is demonstrated through a case study focusing on the contestation and politicization of EU trade policy in the European Parliament.

Common Hegemony Populism and the New Municipalism critically explores the global rise of an alternative democratic politics since the 1990s in both practice and theory from the Zapatistas insurrection to the 2011 cycle of democratic contestation and the ensuing municipalist movement in Spain. Staging an alternative to mainstream politics in both its statist and its activist variants, Alexandros Kioupkiolis combines a comprehensive and in depth account of contemporary alter politics with an extensive treatment of strategic challenges and broaches the question of strategy through theories of hegemony which are revisited and renewed by taking our lead from contemporary social movements and practices. Specific movements such as 15 M and New Municipalism are examined to understand how these have transfigured the counter hegemonic politics in the direction of egalitarianism, diversity and grassroots self government. Common Hegemony Populism and the New Municipalism will be of interest to researchers and students of contemporary political theory, democratic theory and social movement studies.

This book investigates the hegemony of the USA by examining the Obama, Trump and Biden administrations' responses to major global crises. Combining a Gramscian framework with the main features of complexity theory, it provides a comprehensive account of the systemic crisis of the hegemonic order of the United States in security, environmental and economic issue areas. By examining key case studies, the author reveals

that the hegemonic responses of the us were confronted by overt challenges including emerging state and non state actors globally complex transnational flows and a combative domestic political climate which undermined the united states role in multilateral institutions no longer fit for purpose this book will be of interest to general readers as well as scholars and students of us foreign policy global politics and gramscian theory

when commercial media practices are insinuated into local cultures existing cultural and media practices are often displaced and social inequalities are exacerbated sometimes with the consent of consumers but frequently confronting organized proponents the globalization of corporate media hegemony provides case studies from five continents from government promoted telecommunications programs and technologies in canada and britain mtv asia s call in request lines and the pan latin ideology of a mexican television variety show to islamic pop radio in turkey commercial radio in africa a millionaire game show in india and hollywood s muted influence on korean cinema among others each case offers new insight into the particulars of an expanding corporate hegemony and together they invite the conversation on media globalization to consider the dynamics of class conflict and negotiation as an analytical perspective having prescriptive potential

in rethinking hegemony edited by thomas clayton a group of prominent educationists explore the complex and powerful process of hegemony or ideological domination as it operates in schools and other educational settings in this collection of national and international empirical studies the authors grapple with the central process of hegemony that of social maintenance or transformation by means of prominent social ideas which shape our understanding of what constitutes just proper and legitimate ways of thinking and acting while the authors agree that these ideas are continually renewed recreated and defended by dominant groups in society they also consider the way other groups respond to this process in what often becomes a
