achieving success will change your life don t wait another minute this book contains insight on how you can design your life through proven success strategies and techniques get this amazing amazon book for this low price use the law of expectation to expect something means to look forward to achieving it this is a positive approach to achieving your goal it is obvious that if you do not expect your good you will almost certainly miss it if you expect to succeed you will shape your thoughts and actions in the direction of success disraeli said everything comes if a man will only wait if you wait patiently and keep expecting to achieve your goal in life you will not be disappointed most people color their entire life experience with fear of failure and violate this dynamic law of expectation men and women s seven basic requirements there are seven basic requirements which every person should have in his life no matter what degree of success he may wish to achieve these are 1 your right to work 2 financial rewards of other rewards 3 friends and social life 4 love and marriage happiness 5 expression of creative talents other than your work 6 mental and intellectual growth 7 spiritual needs faith in god and daily prayer

success can be made certain not however by the mere possession of particular characteristics nor by just doing particular things your success in life can be assured but only if you supplement your qualifications and make everything you do most effective by using continually whatever your vocation the art of salesmanship life can hold nothing but failure for the ill natured unsociable disgusting tramp who is known to be ignorant lazy shiftless a spendthrift a liar and an all around crook such a worthless man will make a complete failure of life because he is so dis qualified to succeed on the other hand certain success ought to be achieved by the good natured intelligent reliable man who continually wins friends the truthful man who has a fine reputation for thrift honesty neatness and love for his work he seems entirely worthy of success yet for reasons that baffle himself and his friends it sometimes happens that such a man is unsuccessful the defeat in life of one who appears so deserving of victory seems to prove that success cannot be assured by the development of individual characteristics and by doing specific things but such a wholly negative conclusion would be wrong when a worthy man fails he loses out because he lacks an essential positive factor of certain success the ability to sell his capabilities by mastering the selling process this failure can turn himself into a success cations unrecognized capabilities we are sure of the failure of the man who is utterly disqualified to succeed not because he has particular faults but because they self advertise and sell the idea of his disqualifications for success his characteristics and actions make on our minds an impression of his general worthlessness defects are apt to attract attention while perfection often passes unnoticed millions of worthy men otherwise qualified for success have failed solely because their merits were not appreciated and rewarded as they would have been if recognized capabilities like goods are profitless until they are sold therefore the man who deserves to win out in life can make his victory sure only by learning and practicing with skill the certain success methods of the master salesman
