from asgard to valhalla takes readers deep inside odin s cavernous hall and tells of the adventures tragedies and lessons of the viking gods here heather o donoghue skillfully uncovers both the history and legacy of these myths to provide the authoritative student text on old norse mythology from the magnificent tales of a song of ice and fire and the supernatural wonders of valkyries to tolkien s riders of rohan and marvel s mighty thor norse mythology is a fundamental part of western culture drawing from a wealth of sources and scholarly debates this fully updated and expanded 2nd edition offers both an engaging survey of the old norse myths and an accessible introduction to how such strange and fragmentary material has been seized repurposed and at times abused throughout the centuries notably this important and timely study explores how old norse mythology has been and continues to be weaponized by far right

movements across the world containing 2 brand new chapters on post medieval reception 30 illustrations for a stronger visual context and pedagogical updates throughout to aid further study this new edition of from asgard to valhalla the remarkable history of the norse myths is a vital resource for all students of old norse mythology

the great norse myths are among the most dramatic and unforgettable stories in all human history these fascinating fantastical tales have inspired centuries of art culture and literature including the storytelling of tolkien neil gaiman george rr martin s game of thrones wagner s ring cycle and marvel comics the norse myths takes us on a thrilling journey through the norse cosmos from the creation of the world to ragnarok the final world destroying conflict via the nine worlds and the exploits of the mighty gods and goddesses mystical odin malicious loki mighty thor and more and their quarrel with the giants bringing to life the magical world of monsters and mythical creatures this also introduces the adventures of humankind folk heroes and tricksters sigmund s great battle in the volsung saga the exploits of kings and princes and viking exploration and settlement of new lands including iceland greenland america and viking life in the mediterranean and the east as well as a treasure trove of these epic stories of heroism and cruelty squabbles and seductions the norse myths is a comprehensive study of their origins survival and interpretations as academically important as it is exhilarating

have you ever wondered how thor got his hammer norse mythology classic stories of the norse gods goddesses heroes and monsters contains stories passed down from the ancient norse religion practiced by the vikings and other northern people who live in modern day scandinavia iceland and throughout the british isles inside this book you will find myths that answer the following questions how did odin form the world from ymir s body and make men and women from wood what are the names of the nine realms and who or what live in them why does odin have only one eye and why does tyr have only one hand where the gift of poetry comes from who are loki s children and why does odin fear them why do the gods fear the end of the world and what will happen at ragnarok in this book you will also find many stories about the gods thor and loki and their exploits in the land of the giants you will read the story of the dwarf andvari and his golden ring the myth that is the basis for robert wagner s famous opera the ring of nibelung as well as j r r tolkien s lord of the rings trilogy and in these pages you will find the story of the mortal hero sigurd and his battle with the dragon fafnir whether you are new to norse mythology or looking to dive into the rich fantastical world norse mythology classic stories of the norse gods goddesses heroes and monsters is the place to start

includes pictures includes medieval accounts of norse mythology includes online resources and a bibliography for further reading much of what is known of the norse myths comes from the 10th century onwards until this time and indeed for centuries afterwards norse culture particularly that of iceland where the myths were eventually transcribed was an oral culture in fact in all scandinavian countries well into the 13th century laws were memorized by officials known as lawspeakers who recited them at the thing the thing was the

legislative assembly in scandinavia held for judicial purposes one of the most famous of these lawspeakers was the icelander snorri sturluson a masterful writer who wrote the prose edda in the thirteenth century there are other sources for the norse myths namely the later poetic edda a collection of poems and prose work and other sagas but the snorri s prose edda is the most complete work whose attribution is known to modern scholars the prose edda is a collection of norse myths split into three sections the gylfaginning the deluding of gylfi the skáldskaparmál the language of poetry and the háttatal the enumeration of meters the first has a frame story that entails a swedish king gylfi disguising himself as an old man gangleri when he journeys to asgard to meet the gods when he arrives he meets three men high one just as high and third who reveal to him stories of the world and the gods the second section contains a warning for christians not to believe in the norse gods specifically the two families the Æsir and the vanir but also refutes the notion that they were demons which was a common supposition among some christians at the time the prose edda begins in this line of thought with a euhemeristic prologue which traces the history of the norse gods as human heroes of troy making thor one of king priam s sons the norse myths also appear to follow a chronological narrative which the historian john lindow describes as having a mythical past present and future and it is believed that snorri a christian recorded these pagan beliefs to preserve and explain the stylistic poetry of iceland particularly the popular descriptive devices known as kennings a kenning is made up of a base word and a modifying word that is used to describe a separate object for example gold had a great many kennings one of which was sif s hair if however the memory of loki cutting off sif s hair and replacing it with gold were lost then this kenning would make no sense to later readers there are many of these allusions to the myths and it is thanks to them that the myths have survived thanks to recent hollywood depictions of the norse gods they are more popular than ever before for example despite the virtual disappearance of the indigenous norse religion and mythology several centuries ago modern society still regularly encounters the storm god thor who continues to be brought back to life in the form of literature and has recently been the protagonist in several blockbuster movies at the same time the scarcity of literature about them leaves room for plenty of debate modern scholars have to base their theories of norse gods and the cult practices that are associated with them on fragmentary and untrustworthy sources but despite this for many of the gods there is enough specific information to form a nearly full picture of their character and functions norse mythology the history of the norse pantheon and the most famous myths looks at the origins of the legendary deities and the stories about them along with pictures depicting important people places and events you will learn about norse mythology like never before

pantheon the norse explores the beliefs and practices found within heathenry including a look at cosmology and various celebrations it also discusses the gods and spirits that are acknowledged within the belief system giving brief descriptions of each and how they were and are understood designed as an introduction to the norse pantheon this book will guide beginners into a basic understanding of the beliefs and offer further suggested resources for those who want to dive deeper

the norse gods are as vivid and powerful as the rugged elemental landscapes they ruled over from scandinavia the vikings raided traded and settled across europe and beyond leaving their mark through their deities in place names literature and particularly through the derivation of the names of the days of the week from tuesday to friday marion pearce sets the major norse gods like odin thor loki tyr baldur freya and frigg into a context of both time and place telling their tales in a unique manner and through doing so she introduces numerous other gods giants heroes dwarves and monsters from the norse myths and legends the author also writes on the germanic saxon gods who sprang from the same roots and explores the conflict between the norse and saxon gods and christianity the influences of the norse and saxon gods are considered further through their survival in british folk customs and significant calendar festivals drawing on numerous sources including the eddas and sagas the tale of beowulf contemporary arabic writings and early british laws the author demonstrates the threads which unite the days of the week and the norse and saxon gods with other early civilizations and classical sources from pliny tacitus and ravena to the old testament from the world tree yggdrasil to its gods and creatures from the norse creation myths to the cataclysmic ragnarok from magic charms to ritual practices the viking gods by marion pearce is an evocative journey through the rich tapestry of norse paganism history and cosmology illustrated with numerous original line drawings by visionary artist emily carding about the author marion pearce is the author of numerous articles on celtic norse and roman history and culture published in magazines in the uk and internationally she is the editor of pentacle magazine the biggest independent pagan magazine in the uk which she founded in 2002 and was formerly the editor of pagan dawn the magazine of the pagan federation

a classic collection of stories by one of the best known and most esteemed retellers of the last fifty years enter a world of cunning trickery and revenge encounter bold warriors courageous women strength in battle and bravery against the odds these are the stories of the viking gods drama and action abound as legendary heroes struggle against mighty giants loathsome beasts and sinister dwarves even as they fight amongst themselves first published over forty years ago this edition has sold continuously since the subject of myths and legends ties in with the national curriculum as does the subject of vikings significant author and one of the best known retellers

here are thirty two classic myths that bring the viking world vividly to life the mythic legacy of the scandinavians includes a cycle of stories filled with magnificent images from pre christian europe gods humans and monstrous beasts engage in prodigious drinking bouts contests of strength greedy schemes for gold and lusty encounters the norse pantheon includes odin the wisest and most fearsome of the gods thor the thundering powerhouse and the exquisite magic wielding freyja their loves wars and adventures take us through worlds both mortal and divine culminating in a blazing doomsday for gods and humans alike these stories bear witness to the courage passion and boundless spirit that were hallmarks of the norse world

right now do you know what norse mythology is are you interested in learning more about it at a beginner s level would you like to expand your horizons when it comes to your mythologies norse mythology is a belief system that was created by the scandinavians or vikings which was adopted by many other settlements in their area it depicted the gods and goddesses as beings who were hard warriors and able to take on dragons and serpents and was overall a very warrior oriented belief system however the people of that time were not as violent and brutal as most would like to believe they were vilified by the other religions of the era so that those religions would not lose followers so are you interested in learning about people who were not quite what many people paint them as and learn more about the creation of the world through the norse belief system then take a peek inside this book not only is the norse world unlike any other world you ll read about in the history books it s packed full of interesting tidbits that you might recognize from stories and movies you ve seen recently you ll find a lot of useful information in this book pertaining to norse mythology such as the creation of the world through norse eyes beginning with the death of ymir and the birth of the sun and moon plus an explanation of day and night and the birth of ask and embla you ll also find out information about the tree of life or yggdrasil and how the three norns play a large role in norse mythology next you ll read about the nine different worlds of yggdrasil and where they are located on the tree of life you ll also figure out who lives in those worlds and who rules them then you ll read about the gods and goddesses and how they interact with one another what wouldn t be a book on norse mythology without an explanation of the mythical creatures of yggdrasil and the other deities who rule there finally you ll learn about the end of the world as the norse followers believed it was going to be but i think you ll be surprised by what they foretell as the future after the end of the world has come and much more is contained within this book i hope you are ready for a wild ride through the norse mythology belief system and the intriguing way that the vikings viewed the world it has been a backdrop for many movies and books filmed and written and it is sure to be the muse for many more writers this mythology has a plethora of stories and gods and goddesses to follow for there to be much more in the future so if you re ready to start reading about norse mythology then hang onto your book and get ready for an awesome ride scroll up and grab a copy of this ebook today limited edition download your copy today

a fascinating exploration of the mythologies of the nordic people

to be captured by the northern thing means to be taken with the norse stories of the gods if that describes you then the norse myths should help it contains the most complete versions of the norse myths available in the english language the norse myths is presented as a narrative from the beginning of creation to the final great battle of ragnarok followed by the rebirth the norse myths is split into several parts part one in the beginning eight chapters that set up the universe part two the adventures twelve chapters about the adventures of gods elves jotuns humans part three the ending of all things overarching in all the stories is ragnarokr the doom of the gods even in the

humorous stories there is a sense of fatality part three is eight chapters leading to the final battle ragnarok and the subsequent rebirth into a more utopian world finally there is a complete glossary of all the characters places and objects in the book the spelling used in the book is presented with definitions of the word and alternate spellings followed by a complete description and there is a genealogy chart showing the familial relationships of many of the characters Norse mythology comes from the Nordic countries including Sweden Denmark Norway and Iceland these countries were heavily influenced by Teutonic German mythology this book contains all of the legends which pertain to the gods future volumes will be about family sagas like the Niebelungenlied the Ring Saga there is a deep foreboding a sense of doom that pervades Norse mythology the gods are not immortal they can be injured and need to be healed they can find themselves bent with old age against the right enemy they can be killed from the beginning the gods know they are in a violent battle of good versus evil the gods mankind of Midgard and light elves are doing what they can to stave off the last battle ragnarok the doom of the gods they fight against evil giants ferocious wolves giant sea serpents and the cunning Loki the Nordic countries have harsh winters resulting in a mythology that is darker than most the Norse hero wants to die a hero's death in battle fighting for right the worst death is the straw death in bed old infirm and away from the fight the hero who dies in battle goes to Valhalla or one of the other fighting halls to practice and prepare for the last great battle those who die straw deaths go to the torturous halls in Niflheimr glory does not await them pain venous snakes and starvation awaits them yet there is hope always hope there is the vision of a better life filled with peace and tranquility the rebirth Norse mythology has influenced many fantasy novels including The Lord of the Rings by J.R.R. Tolkien who taught Norse mythology at Oxford the Norse myths will take you to a world of legend with Thor Odin Loki gods goddesses monsters giants and dwarves doing what they can to help or hurt each other

the definitive and comprehensive retelling of Norse mythology burning ice biting flame that is how life began the extraordinary Scandinavian myth cycle is one of the most enduring exciting dramatic and compelling of the world's great stories the Penguin Book of the Norse Myths compellingly retells these stories for the modern reader taking us from the creation of the world through the building of Asgard's wall to the end in Ragnarok you'll discover how Thor got his hammer and how Odin lost his eye the terrible price of binding the wolf Fenrir and why Loki the trickster can never be trusted the Norse myths are as thrilling to read as they are of vast cultural and historical importance in this gripping book discover the passion cruelty and heroism of these unforgettable stories an excellent introduction to Norse mythology Amazon review extremely well written highly engaging and entertaining Amazon review Viking Myths and Legends written in a humorous and enlightening way Amazon review

the interest of a group of American writers in the Norse Viking Age Scandinavians began to develop in the late 1830s reaching its high point at mid century and tapering off after the Civil War as the members of the group neared the end of their careers only one of the

authors discussed julia clinton jones joins the club at the end of the period this period defined as the original phase of the american discovery of the norse features two essayists emerson and thoreau who refer to the norse in writing on a variety of topics fiction is represented by melville alone american writers of fiction like stowe and hawthorne shun the norse neither the essayists nor melville uses norse themes as their primary subject that is reserved for the poets lowell whittier taylor longfellow and julia clinton jones book jacket title summary field provided by blackwell north america inc all rights reserved

the poems of the poetic edda have waited a long time for a modern english translation that would do them justice here it is at last odin be praised and well worth the wait these amazing texts from a 13th century icelandic manuscript are of huge historical mythological and literary importance containing the lion s share of information that survives today about the gods and heroes of pre christian scandinavians their unique vision of the beginning and end of the world etc jackson crawford s modern versions of these poems are authoritative and fluent and often very gripping with their individual headnotes and complementary general introduction they supply today s readers with most of what they need to know in order to understand and appreciate the beliefs motivations and values of the vikings dick ringler professor emeritus of english and scandinavian studies at the university of wisconsin madison

erulian robert blumetti explores the nature of the norse gods and retells their myths in a contemporary rendition

in this audio book norse mythology a concise guide to the gods heroes sagas rituals and beliefs of norse mythology the listener will be transported to the ancient customs of beliefs of the ancient vikings of the north this audiobook is dedicated to exploring the gods and goddesses that the nordic people worshiped you will discover a description and explanation of the norse mythological gods and goddesses and which tribe the gods mentioned belonged to an introduction to the nordic pagan belief systems and the multifaceted ways in which their religious practices were incorporated into their daily lives popular nordic sagas a description of what sagas were and examples of the most important sagas within the norse culture an explanation of the most revered norse rituals and celebrations and how their beliefs left their impression on religious practices that are still held by christianity today the nordic people had many heroes of myth and legend and you will be introduced to both stories of myth and living breathing viking heroes that were revered norse mythology is intricate and complex and the ideals behind their mythological beliefs were often intertwined with real life events this audiobook will examine how both myth and fact contributed to the culture and traditions of the nordic people and how these influences and stories continue to live on throughout the centuries
