mary magdalen s personal story of her tantric relationship with yeshua ben joseph known today as jesus christ given by her and reprinted here word for word as she gave it describes the alchemy that she and yeshua practiced

the magick manual for matrix liberation co creation is an invitation to step beyond inherited realities and remember the creative intelligence living at the core of your being from the moment we enter this world perception is shaped by invisible structures belief systems cultural narratives emotional conditioning and subtle patterns of influence that quietly define what feels possible this book explores the idea of the matrix not as a place to escape but as a living system of perception one that can be understood questioned and consciously transformed blending spiritual philosophy symbolic language and experiential practices this manual guides the reader through a progressive journey of awakening liberation and conscious participation with reality it is not a doctrine or belief system to adopt but a framework for inquiry remembrance and self sovereignty the first part of the book lays the foundation readers are invited to explore the nature of consciousness the illusion of fixed reality and the deeper architecture underlying experience topics such as archetypes dimensions sacred geometry cosmic cycles and the evolving relationship between humanity technology and awareness are approached as symbolic maps tools for expanding perception rather than rigid explanations these chapters encourage a shift from passive observation to active awareness inviting readers to recognize themselves as participants in an unfolding multidimensional reality as the journey deepens attention turns inward liberation is revealed not as rebellion against the world but as inner transformation an alchemical process where conditioned identities soften and a more authentic sense of self emerges the book explores how perception thought emotion and energy interact and how subtle inner shifts can profoundly shape lived experience the second part of the book moves into embodiment and practice drawing from meditation breathwork sound movement ritual nature connection and energy awareness the reader is offered practical tools to support integration balance and clarity these practices are presented as adaptable methods meant to be explored intuitively and responsibly rather than followed rigidly central to this section is lumen lotus the spiral path of the free spirit an original heart centered system of self mastery introduced within the book this path emphasizes direct connection to the higher self the natural world and the greater cosmos

without reliance on external authorities or intermediaries rooted in authenticity inner freedom and conscious alignment it supports healing self inquiry and expanded awareness across multiple layers of experience the book also explores themes often left unexplored in conventional spiritual literature including the relationship between embodiment and awakening the role of sexuality as a creative life force refinement of attention and intention and the conscious reshaping of inner narratives throughout the emphasis remains on responsibility discernment and integration ultimately the magick manual for matrix liberation co creation points toward co creation as a way of meeting life with presence clarity and intentional engagement reality is approached as a living dialogue between inner state and outer experience where transformation begins within and ripples outward designed to be revisited at different stages of the journey this book honors nonlinear growth readers are encouraged to move through the material in the way that feels most aligned allowing understanding and practice to unfold together over time for seekers free spirits and reflective minds who sense there is more to reality than surface appearances this manual offers a companion for the path of remembrance where awakening is not an end point but an ever deepening relationship with self world and the mystery that connects them

recent discoveries of sacred texts such as the gospel of mary of magdala and the gospel of thomas tell us that mary magdalene was independent insightful and courageous a woman so inspirational that her voice can still be heard across the ages in invoking mary magdalene religious scholar siobhn houston invites you to develop your own personal relationship with one of jesus closest disciples as she instructs you in a daily devotional practice of prayers meditations and visualizations from around the world
