visioneering 2040 is a modern novel about a child presumed dead in a holy river who grows up in the future guided by intellect emotional discipline and ethical ambition the child s journey unfolds in prayagraj varanasi and a small town between the rivers this blend of realism cultural symbolism and psychological depth explores the interplay of love science and belief in shaping a visionary mind the novel primarily asks how identity is formed when roots are destroyed how love and ambition can coexist and how to envision progress without abandoning morality although the story is set during adolescence its emotional and philosophical themes extend far beyond that time it is seen not only as a coming of age story but also as an exploration of human centred innovation in the future it is a futuristic novel on the creation of futures behind the scenes

by aspects of discipline love and responsibility it claims that development is devoid of compassion and that vision should be sustained by caring
