this powerful collection of essays by such notables as d h lawrence robert bly anne morrow lindbergh and rainer maria rilke focuses on the challenges of love between men and women addressing the questions and difficulties arising for people in relationships today anyone who is has been or hopes to be in an intimate relationship with a person of the opposite sex will find this book must reading the first group of essays deals with the contradictions and possibilities inherent in erotic love leading to the question posed in the next section what do men and women really want the contributors then explore marriage as an ongoing path of personal transformation that opens into a look at sexuality itself as an especially vivid meeting of two different worlds the book closes with a group of writings that consider relationship as a vehicle for developing power wisdom and inner truth carefully selected threaded together by welwood s insightful commentary the essays presented here approach the challenge of intimacy with bravery and gentleness inspiring the reader toward becoming a warrior of the heart

a narrative guide and practical methodology for nurturing and sustaining our relationships with ourselves others and the world with intimacy as the foundational principle of our existence we can build a life based on what we truly need not what we think we need or have been told we need by embracing the practice of radical intimacy i can confidently promise my readers a personal revolution of self acceptance appreciation vitality and confidence and without fail mind blowing soul stirring earth shattering sex follows zoë kors part practical guide part client stories part personal narrative zoë kors draws on her experience as a sex and intimacy coach thought leader and relationship writer in sharing her powerful and practical methodology for nurturing and sustaining our intimate relationships over time she addresses the essential truth that is almost universally missed in discussions of sex and intimacy we can meet each other only to the extent that we can meet ourselves kors guides the reader on a five part journey through nine areas of opportunity for deepening intimacy with themselves their partner and their world inviting them to embrace emotional physical and energetic self mastery which is required to skillfully relate with others at the conclusion of each part there are a collection of

experiential exercises which support the reader in embodying the concepts they've just read voice driven accessible and with the right amount of tough love radical intimacy takes the mystery out of human connection from academia and science to mysticism and self development kors delivers a rich and varied understanding of human sexuality and intimacy through the lens of the body brain heart spirit and culture

this handbook brings together the latest thinking on the scientific study of closeness and intimacy from some of the most active and widely recognized relationship scholars in social and clinical psychology communication studies and related disciplines each contributing author defines their understanding of the meaning of closeness and intimacy summarizes existing research and provides an overview of a theoretical framework presents new ideas applications and previously unstated theoretical connections and provides cross references to other chapters to further integrate the material the handbook of closeness and intimacy will be of interest to researchers practitioners and students from social clinical and developmental psychology family studies counseling and communication

this book challenges assumptions about the motivations that drive women from relatively poor developing countries to use intermarriage dating sites to find partners from relatively wealthy developed countries it is generally assumed that economic deprivation or economic opportunities are the main factors but this book instead focuses on the work of women's imagination in online cross cultural relationships including the role of desire love and intimacy the experiences of thai women are used to explore how they initiate develop and maintain love and intimacy with western men across distance and time the book shows that in the absence of opportunities to search and meet partners from geographically distant parts of the world the technology of the internet offers new ways of searching for and managing relationships and has significant consequences for local experiences and expectations of love and partnering the book will be of interest to scholars and students with an interest in family and intimate life gender and sexualities asian and thai studies globalization and nationalism culture and media sociology and anthropology
