selected poems by osip mandelstam in english translation translated and with a postface by ilya bernstein most of the poems are from the 1930s mostly from the voronezh notebooks 1935 1937

offers the complete body of work of one of the twentieth century s greatest russian poets for the first time in english

osip mandelstam 1891 1938 is widely regarded as one of the twentieth century s most influential poets this collection compiled translated and edited by poet and scholar ian probstein provides anglophone audiences with a powerful selection of mandelstam s most beloved and haunting poems both scholars and general readers will gain a deeper understanding of his poetics as probstein situates each poem in its historical and literary context the english translations presented here are so deeply immersed in the russian sources and language through the ear of a russian born probstein who has spent most of his adult life in the us that they provide reader s with a mandelstam unseen any translations that precede it

this is the first full scale biography of osip mandelstam to combine an analysis of his poetry with a description of his personal life from his beginnings as a young intellectual in pre revolutionary russia to his final fate as a victim of stalinism the myth has grown up that mandelstam was a gloomy miserable figure dutli deconstructs this stressing mandelstam s enjoyment of life there are several underlying themes here one is mandelstam s jewish background in pre 1914 russia which he rejected as a young man but reaffirmed in later life another is the inescapable impact of russia s political and social transformation his evolution as a poet naturally occupies a large place in the biography which quotes many of his most famous poems including his devastating anti stalin epigram he produced wonderful poetry before the october revolution but did not reach his full poetic stature until the 1930s when in exile in voronezh he was never an official soviet poet and it was only thanks to the intervention of bukharin that he was brought back from utter impoverishment the biography gives full weight to his emotional life beginning with

his friendship with two other russian poets marina tsvetaeva and anna akhmatova followed by love and marriage to nadezhda khazina one of the century's greatest lyric poets elaine feinstein sunday times mandelstam's poems are both bold and delicate his imagery can seem both profoundly startling yet entirely natural robert chandler mandelstam was a tragic figure even while in exile in voronej he wrote works of untold beauty and power and he had no poetic forerunners in all of world poetry i know of no other such case we know the sources of pushkin and blok but who will tell us from where that new divine harmony mandelstam's poetry came from anna akhmatova russia's greatest poet in the twentieth century joseph brodsky

the texts in this volume represent all periods of osip mandelstam's work from his brilliant pre-acmeist boyhood through the heyday of acmeism the revolution world war i and civil war and on to the poet's harsh final years of ostracism voronezh exile and death in a camp near vladivostok

a new selection and translation of the work of osip mandelstam perhaps the most important russian poet of the twentieth century political nonconformist osip mandelstam's opposition to stalin's totalitarian government made him a target of the communist state the public recitation of his 1933 poem known in english as the stalin epigram led to his arrest exile and eventual imprisonment in a siberian transit camp where he died presumably in 1938 mandelstam's work much of it written under extreme duress is an extraordinary testament to the enduring power of art in the face of oppression and terror stolen air spans mandelstam's entire poetic career from his early highly formal poems in which he reacted against russian symbolism to the poems of anguish and defiant abundance written in exile when mandelstam became a truly great poet aside from the famous early poems which have a sharp new vitality in wiman's versions stolen air includes large selections from the moscow notebooks and the voronezh notebooks going beyond previous translators who did not try to reproduce mandelstam's music christian wiman has captured in english for the first time something of mandelstam's enticing turbulent and utterly heartbreaking sounds

osip mandelstam is a central figure not only in modern russian but in world poetry the author of some of the most haunting and memorable poems of the twentieth century a contemporary of anna akhmatova marina tsvetayeva and boris pasternak a touchstone for later masters such as paul celan and robert lowell mandelstam was a crucial instigator of the revolution of the word that took place in st petersburg only to be crushed by the bolshevik revolution mandelstam's last poems written in the interval between his exile to the provinces by stalin and his death in the gulag are an extraordinary testament to the endurance of art in the presence of terror this book represents a collaboration between the scholar clarence brown and w s merwin one of contemporary america's finest poets and translators it also includes mandelstam's conversation on dante an uncategorizable work of genius containing the poet's deepest reflections on the nature of the poetic process

osip mandelstam january 15 1891 december 27 1938 was a russian poet and essayist and a founding member of acmeist school of russian poetry he is considered by many to be one of the most significant russian poets of the twentieth century along with anna akhmatova boris pasternak and marina tsvetaeva heavily censored and persecuted by the soviet authorities for counter revolutionary activities he spent most of his later years in exile until his death in siberia presented in this dual language selection are many of osip mandelstam's most beloved poems carefully translated by andrey kneller

the description for this book the prose of osip mandelstam will be forthcoming
