by each narrator while most historical texts offer one individual's take we never lost hope presents five survivors working through their memories litvin augmented the book with photographs news articles and other ephemera telegrams maps etc that support the sense of intimacy and reality since some accounts can occasionally run long it may have been helpful for litvin to provide more editorial insight and direction still the book is a soaring testament to the strength and adaptability of five remarkable people a wonderfully executed powerful family chronicle kirkus discoveries 2 13 09
