when non orthodox jews become frum religious they encounter much more than dietary laws and sabbath prohibitions they find themselves in the midst of a whole new culture involving matchmakers homemade gefilte fish and yiddish influenced

grammar becoming frum explains how these newcomers learn orthodox language and culture through their interactions with community veterans and other newcomers some take on as much as they can as quickly as they can going beyond the norms of those raised in the community others maintain aspects of their pre orthodox selves yielding unique combinations like matisyahu s reggae music or hebrew words and sing song intonation used with american slang as in mamish really keepin it real sarah bunin benor brings insight into the phenomenon of adopting a new identity based on ethnographic and sociolinguistic research among men and women in an american orthodox community her analysis is applicable to other situations of adult language socialization such as students learning medical jargon or canadians moving to australia becoming frum offers a scholarly and accessible look at the linguistic and cultural process of becoming

rewriting the ancient world looks at how and why the ancient world including not only the greeks and romans but also jews and christians has been rewritten in popular fictions of the modern world the fascination that ancient society holds for later periods in the western world is as noticeable in popular fiction as it is in other media for there is a vast body of work either set in or interacting with classical models themes and societies these works of popular fiction encompass a very wide range of society and the examination of the interaction between these books and the world of classics provides a fascinating study of both popular culture and example of classical reception

articulates a new post ethnic american jewishness

there is no doubt that america has been the single greatest sustained experience for the jewish people in almost 4000 years of history the political social religious and economic freedoms of american democracy have no parallel and yet all is not well while american jews are not threatened by corrosive antisemitism pogroms and malevolence they are endangered in a paradoxical way by american culture many

important jewish values concepts traditions and perceptions do not find expression in the gentile world successive generations of jews growing up in america are losing their sense of jewish substance through acculturation with language and values which are alien to real jewishness the greatest challenge confronting contemporary jewish life is identifying and holding on to those principles which define jews and judaism as unique
