a disturbing glimpse into the manipulation of photographs by stalin shows retouched portraits

this brand new edition of david king s lauded visual history is a unique and brilliant study into the doctoring and propogandising of soviet photographs by stalin s regime from the creator of the award winning red star over russia the commissar vanishes offers a chilling look at how joseph stalin manipulated the science of photography to advance his own political career and to erase the memory of his victims on stalin s orders purged rivals were airbrushed from group portraits and crowd scenes were altered to depict even greater legions of the faithful for example a 1919 photograph showing a large crowd of bolsheviks clustered around lenin became with the aid of the retoucher an intimate portrait of lenin and stalin sitting alone and then in a later version of stalin by himself in each case the juxtaposition of the original and the doctored images yields a fascinating terrifying and tragic insight into one of the darkest chapters of modern history publisher s description

exploring an unjustly overlooked figure in 20th century british visual culture this book offers a comprehensive overview to the work and legacy of david king 1943 2016 whose fascinating career bridged journalism graphic design photography and collecting king launched his career at britain s sunday times magazine in the 1960s starting as a designer and later branching out into image led journalism he developed a particular interest in revolutionary russia and began amassing a collection of graphic art and photographs ultimately accumulating around 250 000 images that he shared with news outlets throughout

his life king blended political activism with his graphic design work creating anti apartheid and anti nazi posters covers for books on communist history album artwork for the who and jimi hendrix catalogues on russian art and society for the museum of modern art in oxford and typographic covers for the left wing magazine city limits this well researched and finely illustrated publication ties together king s accomplishments as a visual historian artist journalist and activist

from 1929 until 1953 iosif stalin s image became a central symbol in soviet propaganda touched up images of an omniscient stalin appeared everywhere emblazoned across buildings and lining the streets carried in parades and woven into carpets and saturating the media of socialist realist painting statuary monumental architecture friezes banners and posters from the beginning of the soviet regime posters were seen as a vitally important medium for communicating with the population of the vast territories of the ussr stalin s image became a symbol of bolshevik values and the personification of a revolutionary new type of society the persona created for stalin in propaganda posters reflects how the state saw itself or at the very least how it wished to appear in the eyes of the people the stalin who was celebrated in posters bore but scant resemblance to the man iosif vissarionovich dzhugashvili whose humble origins criminal past penchant for violent solutions and unprepossessing appearance made him an unlikely recipient of uncritical charismatic adulation the bolsheviks needed a wise nurturing and authoritative figure to embody their revolutionary vision and to legitimate their hold on power this leader would come to embody the sacred and archetypal qualities of the wise teacher the father of the nation the great warrior and military strategist and the saviour of first the russian land and then the whole world this book is the first dedicated study on the marketing of stalin in soviet propaganda posters drawing on the archives of libraries and museums throughout russia hundreds of previously unpublished posters are examined with more than 130 reproduced in full colour the personality cult of stalin in soviet posters 1929 1953 is a unique and valuable contribution to the discourse in stalinist studies across a number of disciplines

the book offers a vast panorama of communism from the perspective of its collapse and inspects the world beyond the fall in the distorting mirror of its imagined prehistory providing in the process a perceptive analysis of a number of the fundamental issues of history writing
