when sam harris wrote his book letter to a christian nation stating that christians display murderous intolerance dr ravi zacharias felt called to answer the end of reason is a clear and powerful response to the utter bankruptcy of harris s new atheism as it explains the true nature of god the foundation for evil in the world and the basis of true morality

the goal of the present book is nothing less than to correct what alfredo ferrarin calls the standard reading of kant s ferrarin argues that this widespread form of interpretation has failed to do justice to kant s philosophy primarily because it is rooted in several uncritical and unjustified assumptions two are particularly egregious a compartmentalization of the first critique and an isolation of each critique from the others ultimately these two assumptions cause one to lose sight of the fact that the cognitive epistemological functions laid out in the transcendental aesthetic and analytic are functions of an overarching pure reason of which the constitution of experience and of a science of nature is only one problem among others this book by contrast argues that the main problem which pervades the entire first critique is the power that reason has to reach beyond itself and legislate over the world ferrarin pays close attention to both the transcendental dialectic and the doctrine of method where kant lays out his conception of cosmic philosophy as embodied in the ideal philosopher
