even those with anglophobic tendencies based in 10 downing street pug accompanied churchill on his overseas visits and to the major conferences post war ismay assisted mountbatten in the partitioning of the indian sub continent before becoming the first nato secretary general a measure of the high regard the united states and other nations held him in despite the influence he wielded during and after the second world war ismay remains a mysterious figure who somehow managed to maintain the trust of those with whom he worked and dealt with under the most testing and stressful conditions this insightful biography is a most welcome and valuable addition to the history of the period
