prayer has always been an integral part of author rev james e holders life but while he was growing up he observed that prayers had a predictable pattern and were pretty much routine recitations this was troubling for him a young man growing into a pastoral ministry so he tried writing some prayers which became a regular thing for him and

in his newly released book prayers from the heart he shares some of these prayers so others even the young pastors can use this as a guide or plan for their own prayer moments and experience the blessing of talking and being with god divided into different chapters from church prayers to selected prayers for occasions and professions these beautiful prayers from the heart offer readers a chance to discover the wonderful feeling of writing and saying their own prayers because prayer is a way to communicate with god it should bear meaning to the person praying there should be truth honesty and faith in every word prayed and said rev holder hopes that with this collection of prayers readers will find some ideas and help on how to pray from the heart others would probably approach this subject differently but if this challenges you to think that's all I'm asking for anyway this book goes out with my sincere prayer that all who might read it would find the way to satisfy that deep yearning to pray and to receive the very real sense that you have talked with the heavenly father about those things that are most important to you the author prays

I have said somewhere else in this prayer book that the understanding of the bible is a gift from the holy spirit the proof read this at that time Jesus said to his disciples I go to him who sent me and none of you asks me where are you going but because I have said these things to you sorrow has filled your heart but I tell you the truth it is expedient that I go for if I do not the helper the paraclete will not come to you but if I do I will send him to you and when he comes the spirit of truth he will teach you all things and reveal all truth for he will not speak of himself but what things soever he shall hear he shall speak the things that are to come he shall show you he shall glorify me because he shall receive of mine and shall show it to you John 16:5, 7, 13, 14 absolutely the holy spirit the spirit of truth the sweet holy paraclete teaches reveals and gives knowledge and understanding understanding therefore the words of the bible the truth about god comes directly with the help of the holy spirit so much so is the ability and the skill to use the words of the bible to become personal or individual prayers we all need to be aware that every sentence or statement in the bible can implicate to imply personal or individual intention again this ability and this skill are given by the holy spirit unquestionable truth the inspired idea of this prayer book is to let Christians and all interested persons to know that you have been given and you have the power to ask the holy spirit to increase the ability in you and to direct the skill you already have to use the words the sentences and the statements in the bible to suit personal or individual intention I believe the supernatural force which I can call the inspiration behind my composition of personalised short prayers from the bible pspb was the same force or inspiration that caused me to give my whole life to god through Jesus the life full of prayers has been mine causing also the honours in my education from colleges to universities to be possible initially an air transportation engineer but I am completely accepted and I am perfected of the blessed our Lord Jesus Christ whether a new Christian or from birth been a Christian I implore you to go deep into the concept of personalised prayers from the bible so that you will run and not be weary and walk and not faint Is 40:31
