chapter discussion question teachers are encouraged to participate with the  
student as they complete the discussion questions the purpose of the chapter  
purpose section is to introduce the chapter to the student the discussion  
questions are meant to be thought provoking the student may not know the  
answers but should answer with their thoughts ideas and knowledge of the  
subject using sound reasoning and logic they should study the answers and  
compare them with their own thoughts we recommend the teacher discuss the  
questions the student s answers and the correct answers with the student this  
section should not be used for grading purposes dvd each dvd is watched in its  
entirety to familiarize the student with each book in the course they will watch it  
again as a summary as they complete each book students may also use the dvd  
for review as needed as they complete each chapter of the course chapter  
worksheets the worksheets are foundational to helping the student learn the  
material and come to a deeper understanding of the concepts presented often the  
student will compare what we should find in the fossil record and in living  
creatures if evolution were true with what we actually find this comparison clearly  
shows evolution is an empty theory simply based on the evidence god s word  
can be trusted and displayed both in the fossil record and in living creatures tests  
and exams there is a test for each chapter sectional exams and a comprehensive  
final exam for each book
