junction uzzkr an intersection is where two lines or streets cross each other like a cross x a
junction is where one line or street meets another but they do not have to cross each other like
a big t a

31 oct 2005 a junction is more of a plumbing or electical term than a driving term it would be
understood but seem an odd choice of words while a crossroads refers literally to an
intersection

crossroadsthey basically mean the same thing but if you are referring to directions it s most
common to say intersection formal english would say that crossroads would be referring to an
area where more
