this volume is devoted to translations of some of the most significant criticism of james joyce to have appeared in french journals over the last twenty years joyce has been a great stimulus for new modes of theoretical and critical inquiry in france which have in turn exerted a profound influence on the

intellectual climate both in the uk and in north america in their shared preoccupations with the mechanisms of textuality and the implications thereof for the writing and reading subject all the contributors to this volume who include hélène cixous jacques aubert jeanmichel rabaté andré topia and jacques derrida form part of the movement away from the structuralism that dominated intellectual discussion in the 1960s to what is now called though not in france itself post structuralism

in this comprehensive and intellectually ambitious study robert baines outlines all of the major philosophical allusions in james joyce s late masterpiece finnegans wake drawing on archival material baines shows how joyce first encountered and then developed each philosophical concept shining light on this famously perplexing text

what is a classic revisits the famous question posed by critics from sainte beuve and t s eliot to j m coetzee to ask how classics emanate from postcolonial histories and societies exploring definitive trends in twentieth and twenty first century english and anglophone literature ankhi mukherjee demonstrates the relevance of the question of the classic for the global politics of identifying and perpetuating so called core texts emergent canons are scrutinized in the context of the wider cultural phenomena of book prizes the translation and distribution of world literatures and multimedia adaptations of world classics throughout mukherjee attunes traditional literary critical concerns to the value contestations mobilizing postcolonial and world literature the breadth of debates and topics she addresses as well as the book s ambitious historical schema which includes south asia africa the middle east the west indies australia new zealand europe and north america set this study apart from related titles on the bookshelf today

this book is both a study of how james joyce created two of the most iconic characters in literature leopold bloom and marion tweedy bloom as well as a history of the genesis of ulysses from a genetic critical perspective it explores

the conception and evolution of the blooms as fictional characters in the work s wide range of surviving notes and manuscripts at the same time it also chronicles the production of ulysses from 1917 to its first edition in 1922 and beyond based on decades of research it is an original engagement with the textual archive of ulysses including the exciting recently discovered manuscripts now in the national library of ireland luca crispi excavates the raw material and examines the creative processes joyce deployed in the construction of the blooms and so the writing of ulysses framed by a contextual introduction and four bibliographical appendices the seven main chapters are a critical investigation of the fictional events and memories that constitute the lives of the blooms thereby it is also a commentary on joyce s conception of ulysses more generally crispi analyzes how the stories in the published book achieved their final form and discloses previously unexamined versions of them for everyone who enjoys reading ulysses this book demonstrates the various ways in which specialist textual work on the genesis of ulysses directly intersects with other critical and interpretive readings this volume is a behind the scenes guide to the creation of one of the most important books ever written

before joyce became famous as writer he supported himself through his other language work english language teaching in pola trieste and rome the importance of james joyce s teaching however has been underestimated until now the very playfulness and unconventionality that made him a popular and successful teacher has led his pedagogy to be underrated and the connections between his teaching and his writing have been largely neglected james joyce s teaching life and methods reveals the importance in a portrait of the artist as a young man ulysses and finnegan s wake of pedagogy and the understanding of language joyce gained teaching english as a foreign language in berlitz schools and elsewhere

a student friendly guide enabling the new reader of ulysses to understand analyse and appreciate the most famous and famously difficult novel of the

twentieth century

publisher description

major changes in media in the late 19th and early 20th centuries challenged traditional ideas about artistic representation and opened new avenues for authors working in the modernist period modernist authors reactions to this changing media landscape were often fraught with complications and shed light on the difficulty of negotiating understanding and depicting media the author of competing stories modernist authors newspapers and the movies argues that negative depictions of newspapers and movies in modernist fiction largely stem from worries about the competition for modern audiences and the desire for control over storytelling and reflections of the modern world this book looks at a moment of major change in media the dominance of mass media that began with the primarily visual media of newspapers and movies and the ways that authors like ernest hemingway zora neale hurston james joyce djuna barnes and others responded the author contends that an examination of this moment may facilitate a better understanding of the relationship between media and authorship in our constantly shifting media landscape
