with this illustrated catalogue museum boijmans van beuningen and the städel'sch kunstinstitut present the other face of the golden age the painters of dutch classicism inspired by the art of classical antiquity and that of the italian high renaissance they developed an austere and refined style their paintings depicting biblical and mythological scenes presented the court the regents and the intelligentsia in the seventeenth century with an alternative to so called dutch realism in this publication dutch classicism is viewed from all sides

the learned eye or oculus eruditus was a concept used by seventeenth century writers on painting it illustrated their view that the ideal artist was not only skilled in painting techniques but also had knowledge of the history of art and an interest i

rembrandt's extraordinary paintings of female nudes andromeda susanna diana and her nymphs danaë bathsheba as well as his etchings of nude women have fascinated many generations of art lovers and art historians but they also elicited vehement criticism when first shown described as against the grain anticlassical even ugly and unpleasant however rembrandt chose conventional subjects kept close to time honored pictorial schemes and was well aware of the high prestige accorded to the depiction of the naked female body why then do these works deviate so radically from the depictions of nude women by other artists to answer this question eric jan sluijter in rembrandt and the female nude examines rembrandt's paintings and etchings against the background of established pictorial traditions in the netherlands and italy exploring rembrandt's intense dialogue with the works of predecessors and peers sluijter demonstrates that more than any other artist rembrandt set out to incite the greatest possible empathy in the viewer an approach that had far reaching consequences for the moral and erotic implications of the subjects rembrandt chose to depict in this richly illustrated study sluijter presents an innovative approach to rembrandt's views on the art of painting his attitude towards antiquity and italian art of the renaissance his sustained rivalry with the works of other artists his handling of the moral and erotic issues inherent in subjects with female nudes and the nature of his artistic choices
