management and technical assistance services to small businesses the recommendations of this study were used in planning the labor department s economic recovery efforts for kauai after hurricane iniki

this book examines the relationship between gender and sustainability in tourism whilst an extensive body of work exists in the areas of gender and sustainability these two fields of knowledge are seldom combined to examine tourism phenomena when we look at the evolution of tourism we see that sustainability has become an essential element in educational programmes policy making and strategic considerations for organisations and destinations whilst the beginnings of tourism sustainability were challenging presently its relevance is seldom questioned however this situation is not the case with gender research although gender theorising and research have existed for over a century and a rich legacy of knowledge exists on this topic meaningful and respectful engagement with this line of scholarship is thus far peripheral in tourism studies the aim of this book is to reflect on and rethink the intersection of gender and tourism sustainability through the lens of gender theory and feminist epistemology to stay with the trouble and devise pathways for sustainability gender knowledge this book will be of great interest to students researchers and academics in tourism gender and sustainability as well as tourism management the chapters in this book were originally published as a special issue of the journal of sustainable tourism

increasingly significant as mediators of spatial identity and meaning leisure tourism culture and heritage are only now beginning to be located within the rapidly evolving discourses of poststructuralist geographies exploring the influence of leisure and tourism on the production representation and consumption of landscape the first half of this important book focuses on different ways of seeing or representing landscape whereas the second half examines different forms of productive consumption in leisure and tourism both symbolic and material spaces of leisure and tourism are also examined in relation to urban and rural landscapes heritage landscapes gendered landscapes and landscapes of sexuality and desire with a multidisciplinary approach and a strong theoretical content which builds on poststructuralist theories this is undoubtedly an important addition to literature in the field
