l'armée française a une longue et riche histoire qui s'étend sur plus de mille ans de la bataille de tours en 732 à la guerre contre le terrorisme au sahel aujourd'hui les forces armées françaises ont été impliquées dans de nombreuses campagnes militaires tant à l'intérieur qu'à l'extérieur du pays cet ouvrage se concentrera sur

les principales périodes de l histoire militaire française en mettant l accent sur les événements clés les personnalités importantes et les moments décisifs qui ont façonné l armée française telle que nous la connaissons aujourd hui l histoire de l armée française est longue et riche et a vu l évolution de tactiques de combat de technologies militaires et de structures organisationnelles les forces armées françaises ont joué un rôle important dans l histoire européenne et mondiale et ont contribué à façonner l histoire de la france elle même aujourd hui l armée française continue d être une force importante dans le monde avec des soldats déployés sur plusieurs continents pour défendre les intérêts de la france et de ses alliés

de 1940 à 1966 l armée française a connu trois épurations successives la première sous le gouvernement de vichy du maréchal pétain ladeuxième de 1943 jusqu aux années qui ont suivi la libération ladernière de la fin de la guerre d algérie jusqu à la veille des événementsde mai 68 on connaît surtout de l épuration celle qui a concerné le monde civil à la libération en revanche l épuration militaireest beaucoup moins connue elle a pourtant présenté un caractère represque continu pendant plus d un quart de siècle durant lequel elles est exercée le plus souvent à travers l action du général de gaulle ces épurations n ont pratiquement touché que le monde des officiers ceux ci confrontés chaque fois à un choix qui ne pouvait à un moment ou à un autre que les faire entrer en conflit avec leur devoir d obéissance c est la première fois qu un ouvrage aborde ainsi un sujet aussi sensible que méconnu en l étudiant sur une longue période et en le replaçant dans une approche historique il apparaît que prédomine une démarche d ordre idéologique bien française qui explique largement ces épurations successives
