in this ground breaking and provocative book roy grundmann contends that andy warhol s notorious 1964 underground film blow job serves as rich allegory as well as suggestive metaphor for post war american society s relation to homosexuality arguing that blow job epitomizes the highly complex position of gay invisibility and visibility grundmann uses the film to explore the mechanisms that constructed pre stonewall white gay male identity in popular culture high art science and ethnography grundmann draws on discourses of art history film theory queer studies and cultural studies to situate warhol s work at the nexus of pop art portrait painting avant garde film and mainstream cinema his close textual analysis of the film probes into its ambiguities and the ways in which viewers respond to what is and what is not on screen presenting rarely reproduced warhol art and previously unpublished ed wallowitch photographs along with now iconic publicity shots of james dean grundmann establishes blow job as a consummate example of warhol s highly insightful engagement with a broad range of representational codes of gender and sexuality roy grundmann is assistant professor of film studies at boston university and a contributing editor of cineaste

set in medieval france this story continues the tale of the three musketeers many years after their exploits the musketeers are well established in society we see aramis who is a bishop now meeting a prisoner however there is no confession to be heard aramis is at the root of a conspiracy that could change the course of french history the fact that the prisoner is the twin brother of the king of france has sealed his fate and destined him to spend the rest of his life in prison but aramis has a different plan in mind being one of the few to know the prisoner's identity aramis conspires to replace the king of france with his twin brother with the idea that the prisoner will be a better ruler for france how will this plan turn out will aramis succeed when the other musketeers find out about the plan what stand will they take to find out read this classic tale of love politics and loyalty

while we hear much about the culture of poverty that keeps poor black men poor we know little about how such men understand their social position and relationship to the american dream moving beyond stereotypes this book examines how twenty six poverty stricken african american men from chicago view their prospects for getting ahead it documents their definitions of good jobs and the good life and their beliefs about whether and how these can be attained in its pages we meet men who think seriously about work family and community and whose differing experiences shape their views of their social world based on intensive interviews the book reveals how these men have experienced varying degrees of exposure to more privileged americans differences that ground their understandings of how racism and socioeconomic inequality determine their life chances the poorest and most socially isolated are perhaps surprisingly most likely to believe that individuals can improve their own lot by contrast men who regularly leave their neighborhood tend to have a wider range of opportunities but also have met with more racism hostility and institutional obstacles making them less likely to believe in the american dream demonstrating how these men interpret their social world this book seeks to de pathologize them without ignoring their experiences with chronic unemployment prison and substance abuse it shows how the men draw upon such experiences as they make meaning of the complex circumstances in which they strive to succeed
