40 days in the wilderness is an addiction recovery devotional and bible study program designed to be used by churches counselors church home groups existing addiction recovery programs and groups homeless shelters jail and prison ministries and chaplains as well as by individuals seeking god's direction through scripture in defeating satan's bondage of addictions to drugs and alcohol each day's devotional message and accompanying scripture readings can be carried over into additional bible studies on that day's topics

depending on how much time someone wants to allocate or devote to the program it is recommended that the program be finished in 40 days to better benefit from each previous day's message however it will be better to finish the devotionals rather than give up because you can't get it done in forty days if extending it to a 20 or 40 week program better fits your schedule there may be a bigger benefit in having a full week to reflect on the day's reading topic and scripture and practicing what you're learning could be a powerfully transforming experience as well 40 days in the wilderness offers you an opportunity to be mentored by someone who has been saved and sober for 32 years has facilitated hundreds of addiction recovery meetings in and out of many churches has written several books on the subject and maintains several websites on the subject of addiction recovery in the church however my experience will be futile if you don't take my suggestions to Jesus in prayer for his confirmation I suggest that you be as the Bereans did in Acts 17:11 in all that you do in life to protect yourself from all the deception in the world the fundamental message in this program is found in Matthew 6:33 KJV but seek ye first the kingdom of God and his righteousness and all these things shall be added unto you God won't mislead you man most assuredly will whenever you let your guard down man has been misleading millions of alcoholics and addicts around the world for decades in and out of addiction recovery programs because of the absence of Jesus Christ in those programs 40 days in the wilderness puts Jesus Christ at the forefront of each day's devotional

for years a a has quietly acknowledged primarily through one publication that the early a a pioneers in akron believed firmly that the answer to all their problems was in the good book as they called the bible a a cofounder dr bob said that all the basic ideas were taken from their study of the good book and he added many many times that the three parts of the bible the old timers considered absolutely essential to their spiritual program of recovery were 1 the book of james 2 jesus s sermon on the mount matthew 5 7 3 1 corinthians 13 paul s famous chapter on love you can find the foregoing remarks in a a s dr bob and the good oldtimers in pamphlets published by akron aa and in several talks given through the years by dr bob himself and it was even his co founder friend bill wilson who spoke of the studies of james the sermon and corinthians the reading of these passages by dr bob s wife anne to bill and bob and the fact that as bill put it james was our favorite and he added that many favored calling the a a fellowship the james club but this title offers a great deal more in three major parts it provides a detailed framework for studying each of the three bible parts just as the a a pioneers did the reader can sit with his bible open beside him his big book available for reference and dick b s the james club title before him he can study each of the three parts digest their messages compare with the a a program and its ideas and then apply these biblical truths in daily life in practicing the twelve steps and in understanding the miracles that the creator yahweh wrought when the pioneers read and believed the first part of the book covers jesus sermon on the mount matthew 5 7 which both bill w and dr bob said contained the underlying spiritual philosophy of a a the title begins with the book of james however dick b details why it has primacy in the study based in part on its being the aas favorite and in part on the ease with which it can be read and understood yet the meat of this wonderful book of the bible lies in its explicit formula for cure especially the cure of the alcoholic james speaks of patience he speaks of enduring temptation he speaks of seeking god s wisdom without doubting he speaks of temptation as the enticement which turns into sin and finally death he strongly suggests that the readers be doers of the word the bible not hearers only deceiving themselves he spells out what doing the word is it s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as james called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the lord s forgiveness and about prayer for healings in a nutshell this book summarizes the whole pioneer approach in akron and of course it has nothing to do with steps or a basic text or the oxford group for there were no steps no traditions no big books no drunkalogs and no meetings as

we know them today it s about god s healing ministry as a a old timer clarence snyder put it then there s 1 corinthians 13 and its relationship to henry drummond s famous treatise the greatest thing in the world
