for the nearly three millennia since its creation the iliad s real story has gone undiscovered homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences but this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text living in an age where literacy was minimal homer created this story for the gods and undoubtedly never expected any mortal to understand it homer s imaginative fantasy radically undermines traditional trojan war mythology and exposes the speciousness of war s glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so homer s great war poem great indeed war poem indeed is in its depths antiwar in piecing together the iliad s web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post homeric corruptions to the text we will find an iliad which is not a prelude to achilles glorious early death and the fall of troy but the opposite in a concealed ending towards which the entire story has been leading homer s own words will tell us how achilles as supplicated by priam chooses a long life without renown and goes home the greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy troy zeus favorite city and best hope for mankind homer tells this story with a brilliance that is almost unimaginable until one actually encounters it the real iliad is an immense intellectual challenge and an inexhaustible source of surprises far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of western antiquity s greatest author

meaning and appropriate usage of idioms provides carefully written examples relying on simplicity and clarity

in this book martyn smith addresses the issue of god s violence and refuses to shy away from difficult and controversial conclusions through his wide ranging and measured study he reflects upon god and violence in both biblical and theological contexts assessing the implications of divine violence for understanding and engaging with god s nature and character jesus too through his dramatic actions in the temple is presented as one capable of exhibiting a surprising degree of violent behavior in the furtherance of god s purposes through a reappropriation of the ancient christus victor model of atonement with its dramatic representation of god s war with the satan smith proposes that christian understanding of both god and salvation has to return to its long neglected past in order to move forward both biblically and dynamically into the future

learn the language of nebraska and 49 other states with more entries than any other reference of its kind mcgraw hill s dictionary of american idioms and phrasal verbs shows you how american english is spoken today you will find commonly used phrasal verbs idiomatic expressions proverbial expressions and clichés the dictionary contains more than 24 000 entries each defined and followed by one or two example sentences it also includes a phrase finder index with more than 60 000 entries
