this is the second book in a three volume series that will cover the entire book of revelation in awe inspiring detail expounding and expanding on familiar verses in god s word that have been misunderstood and misconstrued for many years in this volume the authors explore the first half of revelation from the perspective they established so clearly in volume i that of a hebrew god speaking through a hebrew believer to an audience that was intimately familiar with the hebrew language culture customs and concepts that form both the literal and the metaphorical foundation for vast portions of revelation

jacques b doukhan an adventist scholar of jewish heritage mines the old testament to uncover new meaning in the battle of armageddon and the millennium he ties the symbolism of the book to the sanctuary service of ancient israel showing how the seven sections of the book correspond to the seven feasts of judaism he argues that the prophecies of revelation foretell the eventual discrediting of secularism egypt the resurgence of conservative religion babylon and a final coalition of the two movements in the climactic events before the second coming of christ to defeat sin and save his people

as the world grows darker so do our eyes to the things to come after reading this book you will understand the connection between the old testament and end times what to expect during the last days and how to stand firm in christ even when facing opposition as the world grows darker and darker many people have a sense of impending doom in this revised edition rabbi kirt a schneider includes updated facts statistics and additional insights showing how prophecy is being fulfilled before our very eyes decoding the book of revelation

rabbi schneider shows how the end time events prophesied in the new testament book correspond with the teachings of the torah and the hebrew prophets in this prophetic guide you will not only discover how the passover foreshadows the great tribulation but you will also uncover what the hebrew prophets reveal about the anti messiah heaven and hell the millennial kingdom the days of armageddon the return of the messiah the signs of the times are flashing like neon lights pointing to jesus s imminent return now more than ever the church needs to recognize what is happening and prepare for what is yet to come the time to prepare for the battle is not when you re in the battle it s before the fight this book will help readers discover what to expect during the last days and how to stand firm in christ even in the face of opposition

scholars who actually shape the fields they work in remain few and far between university of notre dame professor james vanderkam renowned for his writings on the dead sea scrolls is one of them this volume represents the best of professor vanderkam s non qumran articles covering second temple judaism hebrew bible apocalypticism and key essays on 1 enoch and jubilees researchers and students will welcome having all of these readily available anyone working in these areas will appreciate vanderkam s contributions to discussions concerning calendars and festivals the high priesthood and prophecy and apocalyptic in the ancient near east a new essay on the development of scripture s canon rounds out this essential collection this publication has also been published in hardback please click here for details

this third volume like its predecessors adds to the growing body of literature concerned with the history of biblical interpretation with eighteen essays on nineteen biblical interpreters volume 3 expands the scope of scholars both traditional and modern covered in this now multivolume series each chapter provides a biographical sketch of its respective scholar s an overview of their major contributions to the field explanations of their theoretical and methodological approaches to interpretation and evaluations and applications of their methods by focusing on the contexts in which these scholars lived and worked these essays show what defining features qualify these scholars as

pillars in the history of biblical interpretation while identifying a scholar as a pillar is somewhat subjective this volume defines a pillar as one who has made a distinctive contribution by using and exemplifying a clear method that has pushed the discipline forward at least within a given context and time period this volume is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the field of biblical studies has developed and how certain interpreters have played a formative role in that development
