caution this book contains profanity and vulgar offensive language however if your divorce was a long drawn out or dismantling as the divorce this author has gone through there is probably not enough room in a million books for the words you would like to use or enough bad words to say divorce can be a nasty burden to bear and sometimes profanity is the only remedy you can use to ease the pain violence is not the way if you are going through a divorce currently you may start crying and i m sorry for that please accept my apology if you are thinking about getting married you may change your mind and i m sorry for that too you may want to call me and thank me because divorce when it s nasty is a lot more bitter than parsley a lot more distasteful than riding a bike men standing up and the chain slips and you land on your manhood it s more disruptive than highway construction and hits a lot harder than a gangster s backhand having gone through three divorces you may say i m an expert on it however who wants to be the champion of broken hearts and what s even worse who wants to be the king of losing all your money just to have the courts say you re still going to lose no matter what happens caution this book contains profanity let me repeat this book contains graphic profanity that is not meant for those under 18 no let me restate that it is not meant for those who have not had a bad experience in a love relationship who was the group that did the song love hurts i think they meant to sing love costs maybe if i can make you laugh you won t make the same mistakes i did i know you may be thinking it could have been my fault right maybe so you read the book and let me know
