two monumental works on the nature of the modern age by romano guardini one of the most important catholic figures of the 20th century this expanded edition of the end of the modern world a search for orientation includes its sequel power and responsibility a course of action for the new age in both guardini analyzes modern man s conception of himself in the world and examines the nature and use of power it is the principle of individual responsibility that weaves both works into a seamless comprehensive and compelling moral statement guardini tirelessly argues that human beings are responsible moral agents possessed of free will and answerable to god and their fellow man on the end of the modern world this book will cauterize the spirit of any man who reads it it will burn away that sentimentality with which so many today view the advent of the new order imagining as they do that a fully technologized universe can retain every significant cultural and traditional value sustained by the past frederick d wilhelmsen founding editor of triumph magazine and professor at the university of dallas on power and responsibility if the characteristic of hellenic civilization is to be summed up in the word logos the characteristic of our own is more exactly summed up in the word power the fact itself is a challenge to the wisdom of man one is grateful that romano guardini has taken up the challenge i highly recommend the book to all who are wise enough to know today s need to wisdom that is i recommend the book to every thoughtful mind

john courtney murray s j architect of the vatican ii declaration on religious liberty and author of we hold these truths

personal reflections about those qualities in literature and art in the present century that mr spender regards as modern

i was inspired to write this book by observing as to what is presently happening on the earth such as global hunger child labor global warming corruption illiteracy and poverty of the people in some countries and terrorism and guerilla warfare i am paying very serious attention to this matter it just amounts to unscientific administrative policy or a chaotic policy followed by a few countries and purposely some countries are indulging in terrorism tactics some governments pursue this policy resolutely with a view to terrorize the inhabitants of the earth it can be seen that in a few countries the political leaders are following the present independent administrative policy of each country in a persistent manner i have been a keen observer of this and have found that they are purposefully doing this but i am a scientist in hrd study and one hrd scientist is equal to god in respect of knowledge and power also i cannot tolerate any kind of inhuman illegal activities on the earth by seeing this i am changing the world s administrative policy as per the directions mentioned in this book i appeal to the earth s inhabitants to usher in this new administrative policy in the interest of the world with a view to have everlasting peace and the resulting satisfaction as to their lifespan on this planet

this is a critique of nietzsche s theory of culture that proposes an alternative paradigm allowing a defense of the humanities against such nietzschians as leo strauss and derrida

how do historians make sense of the spatial layeredness of the past cyrus schayegh argues that the modern world s ultimate socio spatial feature is not the oft studied processes of globalization or state formation or urbanization but rather the fast paced mutually transformative intertwinements of cities regions states and global circuits

a history of the modern middle east examines the profound and often dramatic transformations of the region in the past two centuries from the ottoman and egyptian reforms through the challenge of western imperialism to the impact of us foreign policies built around a framework of political history while also carefully integrating social cultural and economic developments this expertly crafted account provides readers with the most comprehensive balanced and penetrating analysis of the modern middle east the sixth edition has been revised to provide a thorough account of the major developments since 2012 including the tumultuous aftermath of the arab uprisings the sectarian conflict in iraq and civil war in syria that led to the rise of isis the crises in libya and yemen and the united states nuclear talks with iran with brand new timelines in each part updated select bibliographies and expanded online instructor resources a history of the modern middle east remains the quintessential text for courses on middle east history

includes section reviews and notices of books
