a newly designed edition of this collection of jonathan sacks favourite thoughts for the day rabbi jonathan sacks was a regular voice frequently heard on the uk s most popular morning bbc radio news show he regularly presented a thought for the day in which he addressed a current issue with characteristic brevity and clarity his clear calm voice brought hope and encouragement to all of us struggling to come to terms with modern turbulent times from optimism to hope is a carefully selected collection of his favourite pieces from between 1995 and 2004 ranging in topics as wide ranging as parenting forgiveness staying young and the turner prize the result is a book that still resonates today and appeals to everyone from people with religious beliefs as well as those with little or none

rabbi sacks argues that preoccupation with self is a mistake and that ethics are concerned with the life we live together talking with as much authority about sigmund freud or karl marx as he does about the bible with a new foreword by rowan williams the only force equal to a fundamentalism of hate is a counter fundamentalism of love jonathan sacks was an outstanding moral authority of our time and bestselling author of the dignity of difference one of judaism s most distinctive and challenging ideas is its

ethics of responsibility we have been given the gift of freedom and we in turn have to honour and enhance the freedom of others more than in any previous generation we have been tempted to imagine that it is the individual's needs which are the sole source of meaning this is a clarion call to the outside world to come to its senses

celebrating one of the greatest jewish scholars of our time radical responsibility brings together thirteen luminaries of jewish and western thought to explore the intellectual legacy of chief rabbi lord jonathan sacks centred on the fundamental themes of his work ethics justice religion and leadership this collection advances rabbi sacks's lifelong quest to bridge torah and secular wisdom highlighting the relevance of the jewish tradition to the challenges of the twenty first century

britain's most authentically prophetic voice daily telegraph the choice with which humankind is faced is between the idea of power and the power of ideas from his appointment as chief rabbi in 1991 through to his death in november 2020 rabbi lord jonathan sacks made an incalculable contribution not just to the religious life of the jewish community but to the national conversation and increasingly to the global community on issues of ethics and morality commemorating the first anniversary of his death this volume brings together a compelling selection of jonathan sacks' bbc radio thought for the day broadcasts credo columns from the times and a range of articles published in the world's most respected newspapers along with his house of lords speeches and keynote lectures first heard and read in many different contexts these pieces demonstrate with striking coherence the developing power of sacks' ideas on faith and philosophy alike in each instance he brings to bear deep insights into the immediate situation at the time and yet it as if we hear him speaking to us afresh giving us new strength to face the challenges and complexities of today's world these words of faith and wisdom shine as a beacon of enduring light in an increasingly conflicted cultural climate and prove the timeless nature and continued relevance of jonathan sacks' thought and teachings one of the great moral thinkers of our time robert d putnam author of bowling alone

the seder service on pesach is the oldest surviving ritual in the western world dating back some 3 300 years through the haggadah more than a hundred generations of jews have handed on their story to their children few texts have received more attention than the haggadah there are thousands of commentaries and more are published each year anyone who contemplates adding to this number must ask not why is this night different but why is this edition different my answer is that i wrote this commentary because amongst all the many i have read i could not find one that explained in their full richness and scope the fundamental themes of the pesach story the jewish concept of a free society the role of memory in shaping jewish identity and the unique connection that exists in judaism between spirituality and society giving rise to what i have called elsewhere the politics of hope nor could i find a haggada that told me in detail about the role of pesach in shaping jewish identity through the millennia or its influence on western thought as a whole

rabbi jonathan sacks chief rabbi of the united hebrew congregations of the commonwealth in the united kingdom offers a refreshing and insightful commentary to the koren haggada together with illuminating essays on the themes and motifs of the festival of freedom sensitively translated the traditional texts are carefully balanced alongside the

chief rabbi's contemporary ideas in a modern and user friendly design with new interpretations and in depth analyses of the passover liturgy and ritual rabbi sacks style is engaging intelligent at times daring in its innovation and always inspiring with essay titles as diverse as pesah freud and jewish identity and pesah and the rebirth of israel as well as explorations of the role of women in the exodus and the philosophy of leadership and nation building the chief rabbi's haggada is a thought provoking and essential companion at the seder table

this powerful and deeply personal testimony to the enduring resilience of the jewish people sets out to understand the legacy of the world's oldest religion

despite predictions of continuing secularisation the twenty first century has witnessed a surge of religious extremism and violence in the name of god in this powerful and timely book jonathan sacks explores the roots of violence and its relationship to religion focusing on the historic tensions between the three abrahamic faiths judaism christianity and islam drawing on arguments from evolutionary psychology game theory history philosophy ethics and theology sacks shows how a tendency to violence can subvert even the most compassionate of religions through a close reading of key biblical texts at the heart of the abrahamic faiths sacks then challenges those who claim that religion is intrinsically a cause of violence and argues that theology must become part of the solution if it is not to remain at the heart of the problem this book is a rebuke to all those who kill in the name of the god of life wage war in the name of the god of peace hate in the name of the god of love and practise cruelty in the name of the god of compassion for the sake of humanity and the free world the time has come for people of all faiths and none to stand together and declare not in god's name

before his rather sudden passing in 2020 rabbi lord jonathan sacks was one of the most eloquent and influential religious leaders of the generation as chief rabbi of the united hebrew congregations of the commonwealth for over two decades he offered a universal message cultivated from the jewish and western canons he knew so well one concept that figured prominently in his work was joy i think of judaism as an ode to joy he once wrote like beethoven jews have known suffering isolation hardship and rejection yet they never lacked the religious courage to rejoice in this volume organized by the rabbi lord jonathan sacks herenstein center for values and leadership academics and writers explore the significance of joy within the jewish tradition these essays and reflections discuss traditional jewish primary sources including biblical rabbinic and hebrew literature jewish history and philosophy education the arts and positive psychology and of course through the prism of lord sacks work

when did rosh hashana the anniversary of creation become a day of judgement how does yom kippur unite the priest's atonement with the prophet's repentance what makes kohelet read on sukkot the most joyful book in the bible why is the remembrance of the pesah story so central to jewish morality and which does shavuot really celebrate the law or the land bringing together rabbi sacks's acclaimed introductions to the koren sacks mahzorim ceremony celebration reveals the stunning interplay of biblical laws rabbinic edicts liturgical themes communal rituals and profound religious meaning of each of the five central jewish holidays

this volume features the thought and writings of jonathan sacks one of today's leading jewish public thinkers it brings together an intellectual portrait four of his most original

and influential philosophical essays and an interview with him this volume showcases the work of sacks a philosopher who seeks to confront and offer solutions to the numerous problems besetting judaism and its confrontation with modernity in addition the reader will also encounter an important social philosopher and proponent of interfaith dialogue who articulates how it is possible to cultivate a culture of civility based on the twin notions of the dignity of difference and the ethic of responsibility jonathan sacks has been chief rabbi of the united hebrew congregations of the commonwealth from september 1991 to september 2013 and a member of the house of lords since 2009

historically jews have thought of themselves in terms of the biblical phrase the people that dwells alone in the current global environment this is dangerous it leads to the isolation of jews judaism and israel too much contemporary jewish writing is self referential jews talking to jews preaching to the converted yet jews cannot cure anti semitism alone we need to persuade jews and non jews alike that jews judaism and israel have something unique to contribute to the future future tense does this it moves beyond the they hate us school of jewish thought to provide an overarching vision for the future of judaism jewish life and israel for the twenty first century

writing with his usual grace and fluency jonathan sacks moves beyond the tired arguments of militant atheists such as dawkins and hitchens to explore how religion has always played a valuable part in human culture and far from being dismissed as redundant must be allowed to temper and develop scientific understanding in order for us to be fully human ranging around the world to draw comparisons from different cultures and delving deep into the history of language and of western civilisation jonathan sacks shows how the predominance of science oriented thinking is embedded deeply even in our religious understanding and calls on us to recognise the centrality of relationship to true religion and thus to see how this core value of relationship is essential if we are to avoid the natural tendency for science to rule our lives rather than fulfilling its promise to set us free

a weekly reading of the jewish bible

this text is a passover haggadah with the full hebrew and english texts laid out alongside the chief rabbi jonathan sacks commentary also included are introductory essays that examine particular issues related to passover the haggadah attempts to strike into new territory between the traditional extremes of full colour coffee table books and text heavy commentaries with the lively writing of the chief rabbi placed alongside the traditional texts

rabbi jonathan sacks is one of the most distinguished rabbinic leaders of our day and a world renowned spokesman for judaism to honor him upon his retirement from the chief rabbinate of the united hebrew congregations of great britain and the commonwealth his colleagues from the london beth din and the united synagogue have produced a volume of stellar rabbinic scholarship in this volume eminent rabbis such as rabbi aharon lichtenstein and rabbi adin steinsaltz join together with many others in tribute to a scholar and a leader

in this second volume of his long anticipated five volume collection of parashat hashavua commentaries rabbi sir jonathan sacks explores these intersections as they relate to universal concerns of freedom love responsibility identity and destiny chief rabbi sacks fuses jewish tradition western philosophy and literature to present a highly developed understanding of the human condition under gods sovereignty erudite and eloquent covenant conversation allows us to experience chief rabbi sacks sophisticated approach to life lived in an ongoing dialogue with the torah

chief rabbi emeritus lord jonathan sacks evaluates of the role of the synagogue in jewish life today in it he explores the choices faced by religious leadership in the modern world and the ways in which the synagogue embodies a living community of faith his book faith in the future described by the times as one of the most significant declarations made by a religious leader in this country for many years analysed the importance of community morality and faith in the future of western societies community of faith applies these themes to the jewish situation and suggests ways in which the synagogue can be renewed as a centre of meaning and belonging

rabbi jonathan sacks is one of the most distinguished rabbinic leaders of our day and a worldrenowned spokesman for judaism to honor him upon his retirement from the chief rabbinate of the united hebrew congregations of great britain and the commonwealth his colleagues from the london beth din and the united synagogue have produced a volume of stellar rabbinic scholarship in this volume eminent rabbis such as rabbi yaakov yosef and rabbi nahum rabinovitch join together with many others in tribute to a scholar and a leader
