the greatest commandment in matthew 22 36 is to love the lord our god with all our heart with all our soul and with all our mind we must love god with all our minds it is a commandment not part of it not proportionally in totality we must be consumed by a love for god for he must be our first love our mind must be connected and united with god in the morning in the afternoon in the evening yes every second of the day our hearts must yearn for god for god is glorious and wonderful god is jealous of our love he wants our minds to think of him all the time he wants our affection attention and devotion there is nothing greater for your mind to think of god and his word only when our minds yield to god can we seek a path of purity joy peace and love for god calls our mind to be in sync with his mind do you know the mind of god for his mind speaks of wisdom divine knowledge love of beauty and majesty god calls for a pure mind a good mind and a mind that seeks the light

the mind of god can be understood by knowing the purpose of a prayer the mind of god is more important than the hands of god the hands of god give us acts the mind of god deals with his ways moses knew the minds of god but the people knew the acts of god those who know acts of god know very little about god but those who know the mind of god know a lot about god in the mind of god there is a beat of intimacy involved here god thinks on a level far beyond human understanding yet he is willing to give us the tools to read his mind and begin to think like he thinks for my thoughts are not your thoughts nor are your ways are my ways says the lord for as the heavens are higher than the earth so are my ways higher than your ways and my thoughts than your thoughts isaiah 55 8 9 can you imagine listening in on the conversation with the ruler of the universe can you imagine what it would be like to know what s on god s mind as he directs millions of angels and sustains billions of galaxies but god s mental powers are so infinitely superior to ours how could we even dare to visualise that still god built us with the desire to know learn and understand him we long to make sense of our world and that means we desire to understand the thoughts and plans of the creator we wonder what is god thinking when tragedy strikes what does he want me to learn from the trials i face what does he want me to achieve what is his purpose for my life incredibly the bible tells us god does want us to come to understand his thoughts to read his mind to actually begin to think like he does because moses knew the minds of god and people knew the acts of god god declared that the israelites were his own people

and that they must listen to god and obey his laws these laws were the ten commandments which were given to moses on two stone tablets and they set out the basic principles that would govern the israelites lives those commandments speak a lot about god s mind to demonstrate god s emphasis about his mind he asked moses to write them down and also we all learn the power of writing this book will bring you closer to understand the mind of god adding insight understanding and wisdom it will add to your knowledge as a believer as well as enhance your spiritual growth
