glimpses of god s grace in the hospital room if you ve ever spent time in a hospital you know that it can be a place of struggles and hardships these hardships aren t limited to physical problems often when our bodies are in pain our spiritual lives can suffer too former trauma surgeon dr kathryn butler experienced this firsthand as she walked alongside patients colleagues and friends through various illnesses and aching loss in glimmers of grace butler draws from this experience to guide believers through the deep questions of god s trustworthiness in the midst of suffering blending memoir and devotional reflections butler interweaves her own stories of grace with narratives from scripture to reveal how god s steadfast love endures even in times of great affliction

for many centuries people have learned what it means to be a christian through the apostles creed the ten commandments and the lord s prayer billions of people have been baptised into the faith regularly attended church and celebrated the lord s supper but they haven t always understood what they are all about if you

need help to really get going or inspiration to continue on your own journey as a christian this book is for you it takes a careful look at those major signposts along the way and lights the path ahead with clarity and grace with questions to ponder and prayers to pray this is an ideal way to spend a few minutes each day on your own or an hour a week in a group with friends thinking about the key elements of classic christianity

this provocative meditation on the turn of the millennium explores the significance that a celebration of christ s birth can have beyond the christian community writing from the perspective of christian philosophy david walsh ponders the emergence of modern civilization from the medieval christian past concluding that christian theology grounds the dominant ideas of modern society he professes the importance and promise of christianity while rejecting the gnosticism advocated by harold bloom and others that places the divine within the self affirming christ s place at the heart of civilization walsh argues that the christian faith has relevance beyond its own boundaries for all traditions that find their common ground in reason this contemplative book asserts that the christian millennial jubilee has meaning for all and that it points the way toward the fullness of life in this world as well as in eternity

untangling the day to day issues in our multifaceted lives can seem daunting time to sit quietly and reflect is rare if we are fortunate we have good friends or close family members with whom to talk things through and find clarity but many times we feel isolated and lonely as people of faith we add another layer to our reflections when we wonder where god fits into our lives in a broad sense theological reflection happens any time that we wonder about god our faith our beliefs and our values in this book however abigail johnson offers a structured process for engaging in theological reflection by looking at a situation or event through a series of questions these questions are designed to help individuals and small groups think through situations with the eyes of faith johnson provides detailed instructions for group facilitators making this book a valuable resource for any theological reflection leader she demonstrates how theological reflection will enrich the faith life of the individual and increase group members sense of belonging to god and to the whole people of god she also shows how small groups engaging in theological reflection affects the ongoing life of a congregation particularly in the community s worship and the members practice of spiritual disciplines

in a day in which christians too often reduce faith to mere sentimentality and atheists decry it as superstitious nonsense fr kerry walters offers a series of reflections intended to show that indeed faith matters drawn from his popular weekly newspaper column faith matters these short meditations explore christian faith from the perspectives of doctrine spirituality ethics politics art and science the saints and the holy seasons that mark the christian year and set the rhythm of christian living
