a treasured guide to yoga practice for women more than 200 photographs for visual
 instruction geeta iyengar integrates yogic theory practice and personal experience into
 an accomplished and inclusive guide to the discipline of hatha yoga yoga a gem for
 women provides meticulous details and corresponding photographs for more than 80
 asanas appealing to both the beginner and the advanced hatha practitioner

sketches of european women plus zenobia and a chapter on african women not
 identified individually

written by leading scholars from a wide range of countries this book advances the
 understanding of women s entrepreneurship by drawing attention to the contexts in
 which they operate with its impact on gendered institutions and gendered social forces
 it will be of interest for researchers faculty and students as well as policy makers and
 practitioners it is the fifth in the series of books produced in partnership with the diana
 international research network

the renowned group of international contributors to this book provide analysis of where
 and how gender plays a role in the entrepreneurial ecosystem 11 essays examine how
 ecosystems influence women entrepreneurs and how women entrepreneurs influence
 their local ecosystems both cross nationally and through in depth country studies

this book presents scholarly reflections on women s entrepreneurial propensity and on
 women s entrepreneurship in science technology engineering and mathematics stem
 fields contributing to a country s innovativeness and competitiveness women

entrepreneurs also promote healthy social and economic growth and act as mentors and role models for younger women however the low involvement of women in stem which begins at education affects the share of women entrepreneurs in these fields the authors address these issues and highlight the output of research studies by bringing together both global and country specific evidence researchers and policymakers interested in advancing women s entrepreneurship especially in stem will particularly benefit from this book

the world is in a race against time to achieve the united nations sustainable development goals un sdgs by 2030 despite global efforts to address these ambitious goals progress remains uneven and significant gaps persist women are often underrepresented and underutilized in leadership positions yet they possess untapped potential to be formidable forces of change the role of female leaders in achieving the sustainable development goals is an exploration into the role of female leaders in overcoming the challenges that hinder the realization of the un sdgs it makes clear that the reality of achieving these goals requires a seismic shift in leadership dynamics with women at the forefront of this transformative journey the role of female leaders in achieving the sustainable development goals introduces readers to a diverse array of women leaders who have been instrumental in driving progress towards the un sdgs their stories serve as sources of inspiration for academics corporate executives non governmental organization ngo leaders and government officials showcasing the tangible impact women can have when given the opportunity to lead the book is a call to action urging women to step into leadership roles across academia corporations civil society and government thereby expediting the achievement of the united nations development goals
