

Auckland City

[illegible][illegible]

this book is a visual and narrative history of two communities māori and pākehā during a hundred years of settlement in new zealand it reveals how the two cultures saw their history through very different eyes for pākehā it was a story of establishing an english island in the pacific for māori a tale of loss and exclusion but by setting out these conflicting understandings of the past the book also seeks to bridge cultural differences through the sharing of knowledge written by three leading historians and lavishly illustrated it is a stunning presentation of new zealand s history

city of joburg senior citizens write is a collection of short stories written by senior citizens and adults who participated in the digital literacy and creative writing program that was introduced in 2018 at murray park library johannesburg south africa the first senior citizens class was held with 25 senior citizens this digital literacy program was conducted through a concept of mobile e classrooms where laptops were transported and assembled once a week inside the library study area for computer lessons to be held mobile e classrooms enable under sourced libraries to also empower communities with digital skills the first phase of the training was to introduce them to basic computer skills including typing the second phase was to introduce them to creative writing and encourage them to write stories about their lives using the typing skills they learned they did not follow any rules or guidelines these personal stories were written from the heart hence some of them are longer than the others with different topics this book demonstrates the commitment of the city of johannesburg libraries to empowering communities of all ages including the marginalized by giving them voices through reading and writing and by developing smart citizenry through digital literacy

the task of living faithfully within today's secular culture is one of the most important issues facing christians yet many misunderstand what culture is and how it shapes their hearts minds and souls this book extends the work of james k a smith by revealing how the secularizing influence of modern culture is not only transmitted through cultural liturgies but has become embedded within the seemingly harmless practices everyday practices of education work consumption and leisure as a result even practicing christians may become practical atheists who have thoroughly internalized secular dispositions of mind and heart this deeper understanding of cultural formation calls into question many of the dominant approaches to ministry and formation rather than merely offering information and inspiration congregations must become sites of counter formation that enable their members to fully embody the christian faith within everyday life

children's active transportation is a rigorous and comprehensive examination of the current research and interventions on active transportation for children and youth as the travel behaviors of these groups tend to be highly routinized and their mobility faces unique constraints such as parental restrictions mandatory school attendance and the inability to drive a motor vehicle before late adolescence this book examines the key factors that influence travel behavior among children and youth providing key insights into lessons learned from current interventions readers will find a resource that clearly demonstrates how critical it is for children to develop strong active transportation habits that carry into adulthood discusses the correlates that exist between children's active transportation using a social and ecological model summarizes active transportation interventions that show what works to increase non motorized modes of travel in children describes the factors that influence the implementation and effectiveness of interventions

gordon mclauchlan presents a biography of auckland city that reflects his passion for the place this

is a colourful history filled with anecdotes and asides Gordon traces the history of settlement in the Auckland region and illustrates the huge differences in the way the town began and the way it has continued to exist as spontaneous commercial city from diverse cultural sources Gordon argues that Auckland is and always has been different to the rest of the country more cosmopolitan more mercantile more susceptible to change and modernity in this book he explores why his willingness to express his opinion about other New Zealand towns and cities is likely to raise provincial passions but his fascination for the development of New Zealand's largest city and his advocacy for the city's future will draw in readers from around the country
