the success of any regional economic story depends on how much the political economy and financial economy complement each other the bric grouping brazil russia india and china was deemed to be at a similar stage of newly advanced economic development when goldman sachs coined the acronym in 2001 as a new asset class for the financial economy portfolio funds were launched and as a consequence political economic initiatives lent the bric grouping status and cohesiveness the bay of bengal the next brics asset class has been written to demonstrate the economic potential of the grouping and the benefits of creating a distinct asset class the author compares economic corporate performance data of the bay of bengal bob grouping with other regions of developing countries brics asean saarc eac mena eec cis mint civets pacific alliance etc to show that the bengal group is expected to reach a combined gdp of 6 trillion by 2021 just as the brics did in 2006 five years after bric was coined the bob grouping has relatively the best linear synchronised growth a high proportion of companies generating consistent profits return on equity a more diversified profit pool and a fair mix of economic growth drivers compared to other economic groupings the economic relevance of this region is clear and statistically substantiated and the next brics asset class sets out to reverse the current lack of awareness amongst the financial economy the authors aim is to justify the economic substance of this grouping so that it complements the political economy's initiatives that will follow

in her study of newly recovered works by british women kathryn freeman traces the literary relationship between women writers and the asiatic society of bengal otherwise known as the orientalist distinct from their male counterparts of the romantic period who tended to mirror the orientalist distortions of india women writers like phebe gibbes elizabeth hamilton sydney owenson mariana starke eliza fay anna jones and maria jane jewsbury interrogated these distortions from the foundation of gender freeman takes a three pronged approach arguing first that in spite of their marked differences female authors shared a common resistance to the orientalist intellectual genealogy that allowed them to represent vedic non dualism as an alternative subjectivity to the masculine model of european materialist philosophy she also

examines the relationship between gender and epistemology showing that women's texts not only shift authority to a feminized subjectivity but also challenge the recurring orientalist denigration of hindu masculinity as effeminate finally freeman contrasts the shared concern about miscegenation between orientalist and women writers contending that the first group betrays anxiety about intermarriage between east indian company men and indigenous women while the varying portrayals of intermarriage by women show them poised to dissolve the racial and social boundaries her study invites us to rethink the romantic paradigm of canonical writers as replicators of orientalist cultural imperialism in favor of a more complicated stance that accommodates the differences between male and female authors with respect to india

In classic Bengals authors Steve Watkins and Dick Maloney give a tour of the best moments in the Bengals' long history, which will evoke special memories from longtime fans and delight those who currently follow the team.

There were three professional football teams in Cincinnati before the current Bengals became a permanent fixture in the city: the Cincinnati Celts, Reds, and an earlier Bengals team formed in 1937. All had short appearances in leagues that soon folded. It was not until 1967 that the football gods again smiled on Cincinnati. Paul Brown, who founded the Cleveland Browns in 1942, sold the Browns in 1962 and went to work organizing a Cincinnati team that played its first game in 1968. While the Bengals may not own any Super Bowl rings, they have won two AFC Championship games in 1981 and 1988 and were AFC Central Division Champions five times (1970, 1973, 1981, 1988, and 1990) as well as topping the AFC North in 2005.
