against the backdrop of the recent and renewed political and policy interest in the safety and security in european football contexts this book examines the ways in which the regulation of insecurities in european football has been advanced by european institutions and organizations and contested by football supporters from the 1980s to the present day this book therefore produces an updated empirical but theoretically informed account of how insecurities in football have been responded to and countered on a european level through expressions of power and counter power by drawing on material from interviews and analyses of international legal texts policy documents and historical football fanzines insecurities in european football and supporter cultures uses european football as a window to understand wider processes of in security and the regulation of cultures social groups and contested spaces utilizing perspectives from contemporary sociology and critical security studies this book produces the argument that as institutions risk focused logics and precautionary principles have been embedded in the attempts to secure european football it is simultaneously possible to observe a reflexive culture of contestation that has matured across four decades in european football insecurities in european football and supporter cultures is an important fascinating and timely reading for anybody with an interest in the sociology of sport football security studies surveillance social theory and sport studies

leagues of laughter traces how a soviet created youth game changed as students nation states collapsed competed and went to war the game called kvn klub veselykh i nakhodchivyykh or club of the cheerful and clever spread to universities across the ussr in the 1960s it is scored by a panel of judges like figure skating but is played in school and university leagues much like football kvn rocketed to mass popularity oddly due to soviet censorship young people could not protest in essays speeches or fiction but the referents of live jokes are hard to prove kvn became a forum for aesopian free speech soviet pedagogues promoted the game as a wholesome intellectual youth activity leading to a preponderance of ordinary schoolchildren gaining at least some experience writing jokes even after the fall of

the ussr millions of young people across the former soviet bloc continued playing kvn in schools universities and semi pro leagues drawing on fieldwork in russia and ukraine between 2015 and 2019 garey compares kvn traditions in two post soviet nation states at war a series of interconnected cross border stories spanning 60 years illustrates how laughter and oppression entwined in the long cultural context of the war in ukraine

data game the story of liverpool fc s analytics revolution explores the lesser known story of how liverpool rose to greatness in the 21st century with the help of big data the anfield institution is an industry leader in the field of data science but little is known about how liverpool s relationship with numbers began and how the marriage of data and football helped to deliver wins on the pitch by impacting tactics and recruitment upon their takeover fenway sports group set out to transform liverpool into a data driven organisation but there is a story behind why that vision took around a decade to become a reality from errors in the transfer market to suboptimal playing styles to conflicting egos liverpool jumped many hurdles before achieving their ambitions under jürgen klopp with the german surrounded by unsung heroes who shunned the limelight this is the tale of how liverpool gained an edge over their wealthier rivals by getting smart

this is the first book to focus on the interrelated issues of social control and disorder in football it shows how the beautiful game illuminates our understanding of the mechanisms and techniques of social control and regulation in contemporary societies it explores past new and continued responses from law enforcers football associations sport s governing bodies the media and international organizations to issues of disorder and misbehaviour in football and how this is highly contested by fans and fan groups featuring the work of an international team of leading researchers in football and sport related studies the book examines key contemporary trends and topics including fan activism football specific legislation power violence fan rivalries subcultures the policing of crowds social sorting and surveillance featuring diverse international cases including the qatar world cup stadium protests in portland oregon spectator violence in polish football social media and brazilian football and sectarianism in scottish football the book also looks ahead to what the future holds for the world s most popular sport this is an invaluable resource for students researchers or the general reader with an interest in the sociology of sport criminology sport management and sports law
