if you aren't living your most authentic self you can't realize universal and personal truth if we compromise and waver in our integrity how on earth will we successfully navigate life or our relationships we become vulnerable to distortions and imbalances that attract archonic attachments and ai signals that keep us in a lower existence of reality we have lost touch with our connection to our higher mind and intuitive abilities and its integration into our daily life the quickest way to heal is for awakening the truth frequency to embody our highest self our bodies thrive in this energy not the distortions or programs and now more than ever before we live in times when our energies are supported by spiritual forces like never before we must be humble enough to allow this alignment and let go of the ego attachments about what other people think and not be afraid to admit where we have been misled claiming our truth eases our journey into the unified field

nothing in this world works the way you think it does there is always more to the story be aware that there is a war for your mind and your soul corporations have taken over governments in a new form of fascism that now incorporates high technology and artificial intelligence the survival of the human race may depend on breaking the embargo of truth and collectively developing an Übermind but truth always resonates beyond esoteric takes off the kids gloves and exposes the control grid extending its tentacles across the planet the word occult means nothing more than to study the realm of the hidden so much of real knowledge and wisdom is disguised because the people who run the planet feel that true information of how the world works and how to manifest reality is something you do not need to know everything we think we know about the world and the universe in which we live whatever we have been led to believe concerning the course of human history could very well be completely wrong distorted and misinformed the 19th century teachers of the occult could never have imagined the ultimate journey of the 21st century we now face one that extends far beyond esoteric

a fortnightly bulletin on financial and political trends

this document presented by the economic commission for latin america and the caribbean eclac to its member states at its thirty sixth session provides an analytical complement to the 2030 agenda for sustainable development from a structuralist perspective and from the point of view of the latin american and caribbean countries the proposals made here stem from the need to achieve progressive structural change in order to incorporate more knowledge into production ensure social inclusion and combat the negative impacts of climate change the reflections and proposals for advancing towards a new development pattern are geared to achieving equality and environmental sustainability in these proposals the creation of global and regional public goods and the corresponding domestic policies form the core for expanding the structuralist tradition towards a global keynesianism and a development strategy centred around an environmental big push
