This compact edition designed for use in undergraduate courses combines a substantial selection of Dickinson's poems including one complete fascicle with a selection of letters and a range of contextual materials in a number of cases several different versions of a poem are presented side by side the texts are based on the handwritten manuscripts themselves in the facsimile form in which the Emily Dickinson Archive now makes the vast majority of Dickinson's manuscript versions available to the general public the three major editions that are based directly on the manuscripts those of Thomas H Johnson 1955 R W Franklin 1998 and Crisianne Miller 2016 have also been consulted in many cases where the transcriptions of these editors differ from one another this edition provides information in the notes as to those differences extensive explanatory footnotes are also provided as is a concise but wide ranging introduction to Dickinson and her work the appendices include excerpts from numerous nineteenth century reviews of Dickinson's first published volume including by William Dean Howells and Andrew Lang Thomas Wentworth Higginson's influential Atlantic Monthly article Emily Dickinson's Letters is also included in its entirety

Two of Washington Irving's works of short fiction from his 1819-20 work The Sketch Book Rip Van Winkle and The Legend of Sleepy Hollow are among the most enduringly popular of American classics in his own day Irving's works were widely read in Britain as well as in America the English novelist William Makepeace Thackeray described him as the first ambassador whom the new world of letters sent to the old this edition takes notice of transatlantic literary history with an appendix of reviews from American and British newspapers and by printing in facing page format the American and British versions of Traits of Indian Character which differed from each other in a variety of interesting ways also included are an excerpt from Irving's first major work A History of New York excerpts from a key source that Irving drew on for Rip Van Winkle and a selection of illustrations showing some of the ways in which this character was imagined in nineteenth century America with a concise but wide ranging introduction and extensive explanatory notes this edition is ideally suited for course use

the goal of a high quality cost effective and accessible health care for patients is achieved through constructing a team based and patient centered health care delivery system the expanded role of pharmacists uplifts them to patient care from dispensing and manufacturing or marketing of drugs along with doctors and allied health professionals pharmacists are increasingly recognized as an integral part of the patient care team furthermore colleges of pharmacy need to revise and up date their curricula to accommodate the progressively increasing development in the pharmaceutical education and the evolving new roles of practicing pharmacists in patient care settings this book focuses on the expanded role of the pharmacists in total patient care including prescribing dispensing compounding administering and monitoring of drugs at home hospital community hospice critical care changeover and other care settings the sector is emerging in both developed and under developed countries overburdened by patient loads and the explosion of new drugs physicians turned to pharmacists more and more for drug information especially within institutional settings and today s patient care pharmacists are taking more interests in medication review and reconciliation patient education and counseling creating drug therapy regimen and monitoring compliance the purpose of this book is to guide the pharmacists in their daily interactions with patients and to ensure collaboration with other health professionals the contents are mostly based on recently published articles related to patient care with most recent ideas and activities followed by the patient care pharmacists around the globe however a pharmacist implements the care plan in collaboration with other health care professionals and the patient or caregiver along with professional guidelines the book discusses the concepts and best practices of patient interaction patient rights and ethical decision making for the professional pharmacist apprentice and student in every chapter the role of pharmacists in that chapter specific issues are detailed explicitly so that a professional pharmacist or a student can figure out his or her do s and don ts in that specific situation moreover further reading references are listed as future recommendations so the book is an archive of potential references too among so many books about patient care either doctors or nurses roles are highlighted the proposed book highlights the pharmacists roles and responsibilities to the most separated from those of doctors and nurses with the most recent information obtained from most publications in several journals books bulletins newsletter magazines etc

universally recognized today as one of the most important and influential americans of the nineteenth century frederick douglass rose to prominence in the national abolitionist movement before and during the civil war by virtue of the vividness and power with which drawing on his personal experiences of enslavement and freedom he spoke and wrote against american slavery and he continued to propound his vision of an america that would afford freedom equality and opportunity to all long after slavery was formally abolished this edition offers a selection of douglass s most significant writing and

oratory from throughout his long career including the complete texts of narrative of the life of frederick douglass an american slave which has become a classic example of the slave narrative genre and the heroic slave douglass s only published work of fiction together with excerpts from douglass s other autobiographical writings and key speeches he gave both before and after the civil war the edition also provides clear and thorough annotations for the assistance of the student reader and a range of contextual materials including responses to douglass s narrative and photographs of douglass as an introduction to douglass s life and work that balances breadth and concision this edition is well suited for a variety of undergraduate courses in american history and literary studies

fanny fern dominated the new york literary scene in the 1850s garnering both esteem and occasionally derision for her witty and acerbic newspaper columns and literary criticism her semi autobiographical novel ruth hall which traces the rise of an intelligent and determined young woman from poverty to prestige through her pursuit of a writing career was one of america s most significant early bestsellers fern s use of informal vibrantly conversational prose and her abundant colloquialisms marked an important shift in the established literary conventions of nineteenth century fiction and journalism this compact edition collects some of fern s most frequently taught journalism much of which focuses on the changing roles of women in nineteenth century america along with excerpts from ruth hall

this fully illustrated account reveals how us pilots quickly learned to avoid dogfights with the zero sen and developed tactics that enabled the wildcat to hold its own against its more nimble opponent in the skies over the pacific

this is a comprehensive encyclopedia of everton football club containing over 400 entries detailing statistics biographies and glorious and inglorious times from being founder members of the football league everton rapidly made their name as one of the game s wealthiest clubs and went on to win the league championship nine times they were winners of the fa cup on five occasions and in 1995 they rose to victory in the european cup winner s cup goodison park has been home to many of the most talented players football has to offer such as edgar chadwick dixie dean ted sager joe mercer alex young alan ball andy gray gary linekar kevin ratcliffe and neville southall

it is known as the school of science a pioneering institute on from the game s inception as a professional sport through to the advent of the premier league it is known too as the people s club an institution that in football s globalised and money strewn era has managed to retain a distinct local identity and whose fans see themselves as a distinct tribe it is a club where legends of the game bestrode the hallowed turf of its world famous stadium goodison park from fred geary and jack taylor to dixie dean and
