since 2010 Greece has been experiencing the longest period of austerity and economic downturn in its recent history economic changes may be happening more rapidly and be more visible than the cultural effects of the crisis which are likely to take longer to become visible however in recent times both at home and abroad the Greek arts scene has been discussed mainly in terms of the crisis while there is no shortage of accounts of Greece's economic crisis by financial and political analysts the cultural impact of austerity has yet to be properly addressed this book analyses hitherto uncharted cultural aspects of the Greek economic crisis by exploring the connections between austerity and culture covering literary artistic and visual representations of the crisis it includes a range of chapters focusing on different aspects of the cultural politics of austerity such as the uses of history and archaeology the brain drain and the Greek diaspora Greek cinema museums music festivals street art and literature as well as manifestations of how the crisis has led Greeks to rethink or question cultural discourses and conceptions of identity

was Lucretius a fundamentalist Epicurean and a mere repeater of his master's words or did he emerge as an innovative philosopher in his own right the relationship between Lucretius and Epicurus remains a complex and unresolved issue in Epicurean scholarship to what extent was Lucretius aware of intellectual debates following Epicurus and how did he contribute to them the volume examines these questions through an epistemological lens focusing on the canonic the science of the criterion Epicurus who died around 271-270 BC did not fully witness firsthand the impact of his doctrines on Hellenistic epistemology nor could he defend them against subsequent criticisms tasks left to his successors by systematically examining the doctrine of the criterion of truth in *De Rerum Natura* this study shows how Lucretius actively engaged in the defence and evolution of early Epicureanism despite his fidelity to Epicurus the poet displayed a remarkable philosophical ability to independently rethink and rework materials from both within the Epicurean tradition and beyond thereby reiterating on a broader scale the non-monolithic nature of the *kepos* it appeals to scholars interested in Hellenistic and Roman philosophy alike

the fifteen contributions to the multilingual volume together chart Cicero's presence in the cultural history of Basel from the city's foundation to the heyday of humanist print culture to the cultural politics of the modern day written by scholars working

from different academic traditions and organised in four sections they trace a broad range of engagements with cicero in basel across time thus offering the rudiments of a localised form of reception history ciceronian foundations focuses on cicero s role in the city s and her university s foundation myths editions and commentaries centres on the ciceronian editions and commentaries in the heyday of humanist printing culture discussions and engagements situates his reception in the intellectual currents that define humanist basel from stylistic and literary debates to the controversies of the theologians lastly scholarship and education explores the entanglements of academic and civic life that come to define cicero s place in basel from the 17th century for all their diversity the contributions are united in their aim to contribute both to the study of ciceronian reception and to the cultural history and development of basel in its european context
