a dramatic account of ulysses s grant s epic victory on the mississippi featuring maps and illustrations throughout the 1863 vicksburg campaign was to prove decisive to the outcome of the american civil war known as the gibraltar of the west vicksburg was the last confederate stronghold on the mississippi river in a masterly campaign grant used riverboats and steamers to land his army south of the city he

then defeated the armies of generals Joe Johnston and John C. Pemberton. Pemberton allowed his force to become bottled up in Vicksburg and after an epic 47-day siege he was forced to surrender the remnants of his force to Grant on 4 July 1863. One day after Lee's defeat at Gettysburg, in this highly illustrated volume Alan Hankinson takes an in-depth look at the plans, context, and execution of the campaign and its consequences.

This book provides comprehensive information on diagnostic imaging for polytrauma patients. It provides extensive and detailed explanations of the semiotics of traumatic injuries, the correlation with the trauma's mechanism of action, and the meaning and appearance of prognostic indicators. The book begins with a discussion of the management of polytrauma patients. Particular attention is given to the role of radiology in management, and each chapter includes an assessment of the radiological findings to be used as a clinical decision-making tool. Several typical cases are shown, supplemented by a wealth of images. The book offers a useful tool both for radiologists who will find in it a valuable guide to correctly diagnosing traumatic injuries and for clinicians who will come to better understand the findings of the diagnostic tests performed on their patients.
