the small arms survey 2008 examines the problem of diversion and analyses the public health approach to armed violence

in recent years global cooperative action and climate initiatives by non state actors have proliferated greatly and diverse actors from nordic countries are active participants in this development this report provides an overview of the global climate action agenda initiatives and maps out the various global and regional initiatives where nordic actors such as cities regions businesses academia and governments are participating the mapping includes also individual commitments from nordic actors such as cities and regions in addition to providing an overview of current nordic participation the project highlights important cooperative climate initiatives which nordic countries could consider joining in the future the overview and mapping provide valuable information for the nordic countries and helps to enhance the visibility of nordic involvement in global climate action

today s generations can affect the future ecosystem more than any previous generations and aggravate the welfare of future people people who have not yet been born are excluded from political decisions important to their lives due to the future generations lack of influence current generations have a responsibility to act the current generation s responsibility for the well being of future generations has been used as an argument for an increasing number of legislative and policy measures across the world but are rarely followed up in practice this book examines when commitments to future generations are followed up in practice and in what situations they are not a concept of solidarity with future generations is developed and applied to four policy areas the un 2030 agenda national political institutions for future generations constitutions and climate lawsuits and regulations of economic debt or savings for future generations germany and norway are selected as cases to evaluate what the commitments might entail in practice the book highlights where the gaps emerge and what needs to be done the failing transition from the global to the national level highlights a need for stronger cosmopolitan elements in the international political system institutional bindings are generally weak at the national level financial restrictions show it is possible to

establish strong institutional constraints but the focus on financial resources is too narrow both national and global institutional bindings must be strengthened to show social solidarity with future generations

a catalog of design ideas for music related material this book will offer designers a vast collection of inspiring and innovative graphic works from the world of music the main emphasis will be on music graphics including album cd covers and inside spreads packaging posters and other sales materials from the past decade music makes the world go round and great album designs generate sales for the record companies that back the artists by showing diverse album graphics from the last decade designers get a glimpse into what makes or breaks album sales and just how risky the content can be before it goes too far many designers hope to break into the music business by way of design and this collection will offer insight and inspiration for those venturing in this book will be a compendium of all types of graphically appealing album art covering all kinds of music and music developers

finally available a high quality book of the original classic edition of the school system of norway it was previously published by other bona fide publishers and is now after many years back in print this is a new and freshly published edition of this culturally important work by david allen anderson which is now at last again available to you get the pdf and epub now as well included in your purchase you have the school system of norway in epub and pdf format to read on any tablet ereader desktop laptop or smartphone simultaneous get it now enjoy this classic work today these selected paragraphs distill the contents and give you a quick look inside the school system of norway look inside the book when one notes the variety of schools maintained by the norwegian state it is evident that it is the intent to provide for its citizens a very wide range of educational advantages and at the same time to develop the capacities of young people until they are able to perform the offices of state and nation in addition to the special features in this table to which we have already called attention it may be observed that the total number of boys girls and co educational classes the total number of boys and of girls in attendance at each school and the average number of pupils per class in each school are also included this means that the candidate has completed 1 the twelve years of work in the primary and secondary schools where a widepg 80 range of instruction and general culture are provided 2 a course in the university four to seven years in length devoted to exhaustive research in the particular branches of study which are

subsequently to be taught and 3 the course of training given in the pedagogical seminary

this handbook provides comprehensive and expert analysis of the impact of the brexit process and the withdrawal of the united kingdom from the european union on existing and future eu uk relations within the context of both eu and international law examining the wider international law implications it additionally assesses the complex legal consequences of brexit for both the eu and the uk in their dealings with third states and other international organizations with contributions from renowned specialists in the field of eu external action each chapter will analyse specific policy areas to address key challenges arising from the brexit process for the eu and the uk and propose

solutions to overcome these problems the handbook aims to fill a gap in research by assessing the consequences of brexit under eu external relations law and international law as such it is hoped it will set the research agenda for coming years on the international dimension of brexit the routledge handbook on the international dimension of brexit is an authoritative and essential reference text for scholars and students of international and european eu law and policy eu politics and british politics and brexit as well as of key relevance to legal practitioners involved in brexit governments policy makers civil society organizations think tanks practitioners national parliaments and the court of justice

this book analyses the possibilities and limitations that sub national actors face when developing diplomatic activities in the arctic region sub national actors such as civil society groups and sub national governments or administrations have been active in international relations for decades they face specific political and economic limitations on the international scene as non sovereign entities this book investigates how these actors have developed their international presence in the arctic region it analyzes the diplomatic activities of states provinces regional administrations and multilateral forums made of sub national governments to offer comparative insights on the strategies interests and activities of sub national governments alaska scotland quebec yakutsk and indigenous people s organizations are among the examples covered in this book that have forged bilateral and multilateral relations to promote and defend their interests and values moreover sovereign states are often using these sub national actors to further their own interests as exemplified in this book in how russia and china harnessed the potential of sub national governments to align with their arctic policies the volume will be useful to academics and graduate students of arctic politics international relations comparative politics comparative federalism foreign policy and global governance

this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1900 edition excerpt xxxvii the recent history of norway since the great crisis which terminated in the impeachment of prime minister selmer the history of norway has continued somewhat turbulent although within the bounds of legality and the contest between the nation and the crown has not yet been decided howbeit certain other matters have intervened alongside of the strictly constitutional agitation norway has followed the precedent of all other nations which tend towards

democracy in associating attacks upon the church with attempts to limit the power of the crown the position of the country parson in norway is one of considerable power and influence he is of course a better educated man than the peasants by whom he is surrounded through his glebe he is a landowner and where all estates are small he may be reckoned a considerable one he is ex officio chairman of the district board school and he is very frequently chosen to represent his electoral district in the storting it is this last fact which makes the norwegian clergyman a more powerful person than his english colleague we have not a pleasant picture of this pastor praest in ibsen s writings in the straamand of love s comedy or the dean provost of brand in fact as we might guess the literary class and the scientific the illuminati are his natural enemies that he has his fair share of formalism and insincerity we may well suppose but in any case it was inevitable that the new democracy impatient of every kind of restraint should begin a war against the influence of the church 1 by c f keary author of the vikings in western christendom norway and the norwegians c for now the liberal party began to split itself up and democracy as in other

warum sind deutsche soldaten am hindukusch was gehen uns prekäre staaten wie afghanistan und pakistan an wie sieht die lage vor ort aus und wie versuchen führende industrienationen und supranationale organisationen stabilisierend einzuwirken mit diesen fragen setzt sich das aktuelle jahrbuch internationale politik der deutschen gesellschaft für auswärtige politik dgap auseinander das standardwerk der internationalen politik mit über 50 einzelbeiträgen bietet systematisch vergleichende analysen mit konkreten handlungsempfehlungen zu den autorinnen und autoren gehören renommierte deutsche experten sowie vertreter der operativen politik in federführenden bundesministerien und im bundestag

diverse social programmes including conditional cash transfer programmes labour and production inclusion programmes and social pensions are being implemented in latin american and caribbean countries with the aim of ending poverty and reducing inequalities throughout the life cycle this book offers an up to date analysis of these programmes and the way they relate to labour inclusion and analyses ongoing debates regarding the possible incentives and disincentives they create in terms of the labour supply formalization and child labour among the target population considering that poverty is a structural problem of highly unequal societies the thesis that poverty

is due to a lack of effort on the part of the poor is argued to be an expression of the strong prejudice against those living in poverty the great majority of whom work or are actively seeking employment but are hampered by the large decent work deficits existing in the region from an integrated and rights based perspective public policies should simultaneously address the twofold challenge of social and labour inclusion in order to achieve basic thresholds of well being by ensuring income universal access to good quality social services and opportunities for decent work
