a matilda s story of football motherhood and breaking down barriers katrina s book is a powerful testament to grit endurance and agility it shows how perseverance focus and strong values lead to true success a must read for anyone seeking strength in themselves and those they love cathy freeman oam this is a heartwarming book full to the brim with love of family of friends of football yet we discover in its pages just how much courage it takes to be true to yourself and show that love in good times and bad the hon julia gillard ac katrina gorry was a key part of the matildas line up that captured australia s imagination during the 2023 women s football world cup but the road to glory hasn t been an easy one just a few years before she was struggling with an eating disorder and considering walking away from the game she loves and has played since she was six all that changed with her solo journey through ivf treatments and the birth of daughter harper in 2021 which re ignited katrina s love for the game and gave her a new found respect for her body this is a story of resilience of inspiration of a gutsy young girl setting goals and not only reaching them but exceeding them this book is a valuable reminder that we never know what someone may be struggling through and kindness goes a long way mini has already inspired many and reading her story gave me an even deeper admiration for the way she balances motherhood and football at the highest level mary fowler katrina is an inspiration yes obviously for her incredible athletic abilities but for me what is even more inspiring is the way she unapologetically knows who she is what she wants and then goes after it even when it might not make sense to anyone else or the path forward may seem unclear at first a brilliant insight into one of australia s best libby trickett oam good things come in small packages katrina gorry tells a story of resilience of loss of love and the unwavering determination to have the courage to carve your own path mini in name is not mini in heart tara rushton katrina s sense of family and its importance is palpable in everything she says and does a role model australian women s weekly

this book offers a critical examination of the 2023 fédération internationale de football association fifa women s world cup being held in australia and aotearoa new zealand drawing on perspectives from sociology history political science and management it sheds new light on the development of women s soccer and on women s sport more broadly this book examines the politics of the build up to the tournament including the bidding process as well as how the tournament has been represented in the media the governance structures of the

tournament itself and policy proposals designed to leave an enduring legacy for women and girls in sport the 2023 fifa women s world cup is the first women s world cup to be held in the southern hemisphere and the first to be held with an expanded 32 team format this book shows why the 2023 fifa women s world cup represents a unique opportunity to enhance our understanding of women s football gender oriented sport development initiatives and strategies national sport policy and programming and the management of international sporting events this book is fascinating reading for any student researcher or practitioner with an interest in sport development sport management sport policy sport sociology event management gender studies political science or the relationship between sport and wider society

matildas fever swept across the country during the 2023 world cup campaign filling stadiums beyond capacity uniting communities and inspiring the next generation of world class athletes in one of the iconic where were you when moments in australian sports history the matildas faced down the french in an epic penalty shootout that would propel them through to the semifinals for the first time ever standing on the collective brilliance of her teammates it was macca s courage leadership steel eyed focus and heroics in front of goal that won the hearts of a nation we ll never forget the outstretched arms the roar of victory green and gold flooding the pitch but heroes don t just fall from the sky storybook endings often belie a lifetime s work and the making of mackenzie arnold began well before that electric night in august macca s story is one of dizzying heights and hard won lessons whether it s facing down her doubts and fears to find the courage to be her truest self on and off the pitch using her temporary setbacks to inspire others or shouldering the hopes of a nation to deliver moments that transcend sport mackenzie arnold has packed a lot into her life so far honest funny brave and inspired macca shares her story here for the first time the family and first believers who supported and challenged her from the beginning the coaches and mentors who pushed her beyond her comfort zone and provided the blueprint of a champion the rivals and teammates who transformed the matildas into a global force to be reckoned with and for her next act heroics and storybook endings are best left unscripted but if mackenzie arnold has taught us one thing it s this don t blink

bachelor thesis from the year 2025 in the subject business economics economic policy grade 1.7 uni jena de wirtschaftswissenschaftliche fakultät course lehrstuhl für wirtschaftspolitik language english abstract this thesis

examines the evolution and effectiveness of south africa s economic policies in the post apartheid era from 1994 to 2023 following the end of apartheid and the democratic transition led by the african national congress and the south african government implemented a series of ambitious economic strategies aimed at redressing historical injustices and promoting inclusive growth the study critically analyzes major policy frameworks including the reconstruction and development programme rdp growth employment and redistribution gear broad based black economic empowerment b bbee accelerated and shared growth initiative for south africa asgisa the new growth path ngp and the national development plan 2030 ndp drawing on economic theory policy documents and empirical data the research identifies persistent structural challenges such as high unemployment inequality weak institutional capacity and fiscal constraints despite periods of macroeconomic stability and moderate growth many policies failed to achieve their intended goals due to poor implementation policy inconsistency and limited state capacity the analysis highlights a recurring gap between policy ambition and practical delivery the thesis concludes that south africa requires a hybrid economic model that balances state intervention with private sector dynamism supported by strong institutions better governance and long term investment in education infrastructure and job creation without addressing these foundational issues the vision of inclusive economic transformation remains unfulfilled
