bill crawford thought his modern day republican party would lift mississippi off the bottom a notion born of gil carmichael s vision for good government conservatism a republican s lament tells of crawford s dedicated efforts to implement carmichael s vision his keen observations of mississippi s struggles and his critical commentaries over the past half century for more than fifty years few people have had a better view or a wider variety of roles in the ups and downs of mississippi and its communities than crawford the canton native has been a daily newspaper reporter a crusading small town weekly editor a republican party leader a reform minded republican state representative an

influential institutions of higher learning board trustee a successful banker a community college administrator a state economic development official a community development leader and nonprofit founder a mentor of developing community leaders and a syndicated political columnist from gil carmichael s vision for good government and haley barbour s pragmatic conservatism to starve the beast and truth management politics poverty and the cycle of prosperity faulkner s curse and other behavioral shadows the ayers case and more crawford weaves a unique and eventful story about his home state s enduring dilemmas and a clarion call for its better possibilities

humans must eat and our eating involves us in a cascade of eating relationships that leave life and death biting into each other these realities should but often do not profoundly shape our understanding of personhood this book explores parasitic personhood an alternative to atomistic individualism that acknowledges the biological individual as a network of persistent biological relationships a holobiont and draws insight from the astonishing frequency and variety of parasitic feeding relationships what happens to our conception of personhood if we consider parasitism as more than just a threat to our health parasitism is a remarkably common form of life however we tend to think of parasites only as dangerous pestilential organisms that should be eliminated what if parasitism in particular persistent eating relationships that threaten to destabilize host organisms were instead the model in terms of which we understood what it means to be a person what if we acknowledged the ineliminability indeed the centrality of parasitism to life and embraced both the persistent eating and the precarity that they entail as central to our understanding of personhood in advocating for parasitic personhood this book joins a history of efforts to uproot atomistic individualism the remarkably durable understanding of personhood that is aptly portrayed by its most well known eighteenth century model the billiard ball smoothly self contained with relationships decidedly external to it the parasitic alternative conceives persons as collections of organisms in relationships that are by turns and all at once essential precarious definitive destabilizing stable and shifting the book asks in what does parasitic personhood consist it goes on to examine some implications of this conception of personhood how is moral agency constituted for the parasitic person and how does parasitic personhood expand our understanding of aesthetic engagement and appreciation this book will absorb anyone who is interested in thinking about the metaphysical significance of their need to eat and their reliance on myriad other organisms to enable them to do so it will engage students and scholars of food and eating particularly those working on the metaphysics of food food and personhood fermentation and the microbiome as well

as philosophers considering the ontological significance of food and eating

derrick i'd been fighting all my life making it my career choice seemed logical sticking to what i was good at seemed illogical as often as i ended up in the er then my occupational hazard began to feel like more of a perk when i met

katy she was a night nurse at the er i frequented she could barely hide her contempt for me which naturally made the curvy brunette with long wavy hair all the more irresistible now i just needed to convince her i was a better lover than i was a fighter katy they called him dagger for the looks he gave he knew i hated him on sight but still he teased me and tried to sway me there s no way it would work i was on the run and still healing from a relationship with a roid raging powerlifter no way was i going to give it a go with someone trained to cause pain for a living then my ex tracked me down and suddenly having a fighter in my corner didn t seem like such a bad idea

h l mencken wrote of mark twain i believe that he was the true father of our national literature the first genuinely american artist of the blood royal father mark twain is and brother friend and wise old grandpa but no offense to mr mencken sam l clemens is american and there ain t no royalty around here ceptin maybe the duke or some one like that unless it s the prince and the pauper or king arthur in connecticut yankee in king arthur s court hank the yankee asks you know about transmigration of souls do you know about transposition of epochs and bodies wit ye well i saw it done then after a pause added i did it myself just like mark twain samuel langhorne clemens from amy sterling casil s introduction
