a collection of essays which examine the crucial role of territory in the initiation evolution escalation and resolution of interstate and international conflict it contains 2 maps and 29 tables and is edited by the editor of the dynamics of enduring rivalries

this work assesses the impact of globalization on women in middle eastern societies to explore the gendered effects of social change the authors examine trends within as well as among states in the region detailed case studies reveal the mixed results of global pressures

saudi vision 2030 and the national transformation plan 2020 are governmental initiatives to diversify saudi arabia s economy and implement nationwide social changes media and scholarly attention often describe the success or failure of these ambitious visions this book shifts the focus to instead examine and evaluate the actual processes of domestic policymaking and governance that are being mapped out to achieve them the book is unique in its breadth with case studies from across different sectors including labour markets defence health youth energy and the environment each analyses the challenges that the country s leading institutions face in making shaping and implementing the tailored policies that are being designed to change the country s future in doing so they reveal the factors that either currently facilitate or constrain effective and viable domestic policymaking and governance in the kingdom the study offers new and ground breaking research based on the first hand experiences of academics researchers policy makers and practitioners who have privileged access to saudi arabia at a time when analysis and reportage on saudi arabia usually highlights the high politics of foreign policy this book sheds light on the low politics to show the extent to which saudi policy society economics and culture is changing

now in its 50th edition this title continues to provide the most up to date geo political and economic information for this important world area covers the middle east and north africa from algeria to yemen offers quick access to a wide range of data accurately and impartially records the latest political and economic developments provides comprehensive data on all major organizations in the region general survey introductory essays covering topics relating to the region as a whole including arab israeli relations 1967 2003 the jerusalem issue documents on palestine the removal of saddam hussain and the deconstruction of iraq natural gas in the middle east and north africa oil in the middle east and north africa and islamic banking and finance country surveys individual chapters on each country containing articles on geography recent history and economy an economic and demographic survey using all the latest available

statistics on population agriculture industry finance trade transport tourism and education directory sections with names addresses and contact numbers covering the constitution government legislature judiciary political organizations diplomatic representation religious groups the media finance trade and industry including petroleum and tourism regional information includes all major international organizations active in the region their aims activities publications and principal personnel research institutes specializing in the region bibliographies of books and periodicals covering the middle east and north africa

explores the historical background the culture the religion and the institutions of the people of saudi arabia kuwait bahrain qatar and the united arab emirates

the common image of saudi arabia portrays a country where religious rules dictate every detail of daily life where women may not drive where unrelated men and women may not interact where the latter veil their faces and where banks restaurants and cafes have dual facilities one for families another for men yet life in the kingdom contrary to perception is not so clear cut as simply obeying dogma david commins challenges the stereotype of a country immune to change by highlighting the ways that urbanization education consumerism global communications and technological innovation have exerted pressure against rules issued by the religious establishment he places the wahhabi movement in the wider context of islamic history showing how state appointed clerics built on dynastic backing to fashion a model society of sharia observance and moral virtue but beneath a surface appearance of obedience to islamic authority he detects currents that reflect arabia s heritage of diversity where shi i and sufi tendencies survive in the face of discrimination and the effects of its exposure to western mores

confronting governments the energy industry in this increasingly complex area contributors also discuss a range of ideas for overcoming boundary related problems which are hindering the development of energy resources in various parts of the world the papers in this volume represent the proceedings of the fourth international conference of the international boundaries research unit ibru held at the university of durham on 18 19 july 1996 ibru works to enhance the resources available for the peaceful resolution of problems

associated with international boundaries on land at sea around the world including their demarcation management

describes the geographical cultural sociopolitical and economic aspects of the middle east

this reference book analyzes more than a thousand wars waged from 1816 to 2007 it lists and categorizes all violent conflicts with 1 000 or more battle deaths and provides an insightful narrative for each struggle it describes each encounter and highlights major patterns across eras and regions identifying which categories of war are becoming more or less prevalent over time and revealing the connections between the different types of war

this book is an incisive query into the origins implications and opportunities that china s belt and road initiative creates for stakeholders in asia and the arab world it emphasises the role of cutting edge technology in boosting collaboration in the fields of politics economics business and culture across regions countries and continents

on peace as a message a political mission and a means of socio economic stability in the indian subcontinent the united states and the gulf countries
